Sir,

Sub: Allotment of Examiners for Practical Examinations – reg.

You have been appointed as coordinator for the allotment of examiners for practical examinations Dec 2014 / JAN 2015 for the colleges coming under your region.

The coordinator has to fix a date to meet at the respective regional office. The regional office will provide all support like list of examiners, stationery, dispatch of allotment letters etc.

Further, you may co-opt some of your colleagues to assist you, with the prior approval of the undersigned (One member could be co-opted for every 10 colleges).

You may contact the Special Officer of respective regional office for further queries.
Thanking you,

Yours Sincerely

KARNATAKA POWER CORPORATION LIMITED

(A Premier Power generating Company of Government of Karnataka)

Memo :

No. ED(BTPS)/BIS/ 576

Date: 13.06.2016

Preamble:

KPCL, a premier power generating company of Karnataka Government, has established a coal fired Thermal Power Station at Kudithini, Ballari District, with an installed capacity of 1700MW. About 650 regular employees & 1200 contract workers are working in this power plant.

About 25,000 MT of coal is required per day to generate 1700MW of power. All necessary pre-cautions are being taken to keep the pollution to its minimum levels both at the plant area & surrounding villages. The stipulations of MoEF & KSPCB are rigidly implemented. Periodic Medical Checkup, OHC facility, Safety PPE's etc. are implemented.

Now, as per NIOH guidelines & Supreme Court instructions, it is proposed to constitute a committee of experts, NGOs & trade union representatives to look in to the issue of Environment, Health & Safety of workers & make recommendations. Three eminent personalities of Ballari were requested to become members of such committee & all of them have graciously accepted our invitation.

ORDERS THERE UPON:

The following committee is hereby constituted to look in to the issue of Environment, Health & Safety of workers at BTPS & make recommendations.

1) Sri. S. Mruthunjaya.
   Executive Director(BTPS)   Chairman.

2) The Director,
   Vijayanagar Institute of Medical Science   Member.
   Ballari – 583 104

3) The Principal,
   Ballari Institute of Technology & Management   Member.
   Allipura, Ballari.

4) Sri. Satish Babu,   Member.
   Chief Functionary,
   Social Welfare Organisation for Rural Development,
   G-6, R.K. Complex, K.C.Road,
   Ballari – 583 101

sir,

i Greetings.

reference to the above mentioned subject. Adhoc Board of Studies has been constituted by the Hon'ble Chancellor Khaja Bandanawaz University, uuragi to frame the regulations and syllabi for Department of Mechanical Engineering I'm pleased to inform you that, you are appointed as BOS member rmal) of Faculty of Engineering and Technology, Khaja Bandanawaz University for B E First Year (Mechanical Engineering) Board

Chairman of the Board will contact you to discuss about the your convenient date for the meeting to be convened at the earliest

Regards

uksar Fatima

lty of Engineering and Technology

a Bandanawaz University, Kalaburagi.

Date: **17 NOV 2017**

STRICTLY CONFIDENTIAL

Dr. Sridhar K.S.R _____ Dept. of Maths _____ BITM Ballari

Sir / Madam,

Sub : Appointment as paper setter for Jan-Feb / June-July 20.**17**. Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam:B.E./B.Tech/B.Arch/M.Arch/MBA/MCA/M.Tech/M.Sc(Eng)/Ph.D.Course/Branch: ....

Sem: ...... Sub: .**Computer Fundamentals and Programming in C.**

Sub Code :.**11PHDMA 008**........ No. of sets**One**. To be submitted before : **27 NOV 2017** **11 DEC 2017**

INSTRUCTIONS TO PAPER SETTERS

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set eight questions, out of which, the students have to answer five full questions. (Unless otherwise specified).
- Wherever syllabus is made unitwise consisting of **8 units**, ONE FULL question should be set from each unit, (not applicable to MBA).
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of four subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitely mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEMES AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure an uniform valuation among valuers / examinations across different valuation centers.

2. The scheme and solutions should be legibly hand written in black ink, so that it could be xeroxed and distributed.

3. A scheme & solution does not mean the splitting of final marks into its component parts (example 2+2+4+2). It has to clearly show the expected answers / response for each component. (In case the questions *are* of descriptive nature, the solutions should contain salient / important points of answer)

4. A scheme and solution which merely shows the component marks are liable to be rejected.

5. The extent of solutions should not exceed the enclosed four pages / sheets and should only indicate the expected important points / steps / graphs / drawings / circuits / figures / calculations / tables and final numerical answers, along with the marks allocation for each of these.

6. Please bear in mind that the students have to complete the answers within 3 hrs / 4 hrs and answer five full questions.

7. The allocation of marks shall be an indicator, for the students, for the extent of answers expected.

8. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / flow diagrams / block diagrams, giving due importance or weightage for factors like neatness / exactness / accuracy in numerical values / units / calculations.

9. The figures / drawings and views / circuit diagrams that are part of answers shall also be given in the solution to ensure that the same is being uniformly evaluated by all the examiners.

10. **Answers shall not be in the form of references / citations where author's name / title of the book / chapter numbers / page numbers / paragraphs / figures etc. are indicated. You cannot expect the examiners to carry the books to the valuation centre.**

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that TWO questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. **Each question will carry 16 marks.**
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) levels as mentioned in the syllabus are assessed. **(Applicable to Question papers of 3rd Sem onwards)**
- Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without **"Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours faithfully,

Registrar (Evaluation)

INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEMES AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure an uniform valuation among valuers / examinations across different valuation centers.

2. The scheme and solutions should be legibly hand written in black ink, so that it could be xeroxed and distributed.

3. A scheme & solution does not mean the splitting of final marks into its component parts (example 2+2+4+2). It has to clearly show the expected answers / response for each component. (**In case the questions *are* of descriptive nature, the solutions should contain salient / important points of answer**)

4. A scheme and solution which merely shows the component marks are liable to be rejected.

5. The extent of solutions should not exceed the enclosed four pages / sheets and should only indicate the expected important points / steps / graphs / drawings / circuits / figures / calculations / tables and final numerical answers, along with the marks allocation for each of these.

6. Please bear in mind that the students have to complete the answers within 3 hrs / 4 hrs and answer five full questions.

7. The allocation of marks shall be an indicator, for the students, for the extent of answers expected.

8. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / flow diagrams / block diagrams, giving due importance or weightage for factors like neatness / exactness / accuracy in numerical values / units / calculations.

9. The figures / drawings and views / circuit diagrams that are part of answers shall also be given in the solution to ensure that the same is being uniformly evaluated by all the examiners.

10. **Answers shall not be in the form of references / citations where author's name / title of the book / chapter numbers / page numbers / paragraphs / figures etc. are indicated. You cannot expect the examiners to carry the books to the valuation centre.**

Dr. Shaik Meera .... Dept of M.A.T .... B.I.T.M. Ballari

Sir / Madam,

Sub : Appointment as paper setter for Jan-Feb / ~~June-July~~ 20.18.. Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam: B.E./B.Tech   *Additional*   Course/Branch: ....

Sem: III. Sub: ..... *Advanced Mathematics. –II*

Sub Code : ...... 15.M.A.T.DIP.31.... No. of sets: one. To be submitted before :.. 2 5 OCT 2017 ....

INSTRUCTIONS TO PAPER SETTERS (CBCS SCHEME)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from **EACH MODULE.** Intra-module questions are to be set such that the questions should cover the entire module and further, should be answerable for the set marks. **Each question will carry 16 marks.**
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) lavels as mentioned in the syllabus are assessed. **(Applicable to Question papers of 3rd Sem onwards)**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours faithfully,

Registrar (Evaluation)

Encls :
1. Copy of the syllabus
3. Manuscript sheets
5. Outer cover for QP manuscript & scheme
7. Remuneration bill

2. Previous QP / model QP
4. Inner cover for the manuscript
6. Inner cover for the scheme & solution
8. Scheme & solution format

INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEMES AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure an uniform valuation among valuers / examinations across different valuation centers.

2. The scheme and solutions should be legibly hand written in black ink, so that it could be xeroxed and distributed.

3. A scheme & solution does not mean the splitting of final marks into its component parts (example 2+2+4+2). It has to clearly show the expected answers / response for each component. **(In case the questions _are_ of descriptive nature, the solutions should contain salient / important points of answer)**

4. A scheme and solution which merely shows the component marks are liable to be rejected.

5. The extent of solutions should not exceed the enclosed four pages / sheets and should only indicate the expected important points / steps / graphs / drawings / circuits / figures / calculations / tables and final numerical answers, along with the marks allocation for each of these.

6. Please bear in mind that the students have to complete the answers within 3 hrs / 4 hrs and answer five full questions.

7. The allocation of marks shall be an indicator, for the students, for the extent of answers expected.

8. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / flow diagrams / block diagrams, giving due importance or weightage for factors like neatness / exactness / accuracy in numerical values / units / calculations.

9. The figures / drawings and views / circuit diagrams that are part of answers shall also be given in the solution to ensure that the same is being uniformly evaluated by all the examiners.

10. **Answers shall not be in the form of references / citations where author's name / title of the book / chapter numbers / page numbers / paragraphs / figures etc. are indicated. You cannot expect the examiners to carry the books to the valuation centre.**

REMUNERATION PARTICULARS

Course	Remuneration (Rs.)		Remarks
	Paper Setting	Scheme & Solution

Dr/Prof. _Rajkumar. Kulkarni_

Sir/Madam,

Sub: Appointment as Paper Setter for May / June-2016 Examinations.

By the direction of Principal, PDA College of Engineering, Gulbarga I am pleased to appoint you as Paper Setter for the subject with the details as under. You are requested to accept the assignment & send the detailed **Scheme & Solution** along with Question Paper. Set the Question Paper either typed (1.5-2spacing) or hand written and take adequate care not to retain any copy of the paper.

Examination   : B.E./B.Arch./M.tech. Sem: **IV**   Branch: **C.S.E**

Subject: **S. E. Q. A**   Subject Code: **15PCS22**

Number of Sets: ONE   To be submitted before: 18 |04|16

INSTRUCTION TO THE PAPER SETTER

1) There are five units / sections two questions are to be set from each unit / section (Total 10 Questions). The Candidate is required to answer one full question from each unit / section in 3hours / 4hours. & shall have maximum of 100 marks.**(Kindly note that Syllabus copy provided has shown that SEE is of 50 marks but you have to set for 100 mraks).**
2) Each question shall carry 20 marks and **NOT MORE THAN FOUR** sub-divisions.
3) Use only 'generally accepted short forms' (It is difficult to decipher ' S.T.'as 'Show that')
4) Questions shall be strictly from the prescribed books, covering entire syllabus. There shall be sufficient number of numerical problems for subjects, which involve quantitative methods.
5) Provide neat sketches with reference numbers as these are scanned directly from the manuscript for final printing.
6) Explicitly indicate the figure numbers. For ex. identify the figure pertaning to Q 2(c) as Fig.Q 2(c) immediately adjacent to it.
7) Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks/ tables/charts etc.,
8) However, if special charts, data book are required to be given please explicitly mention the same in the 'instruction to the candidates', at top of the Q.P.
9) Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data/figure/ marks allocated/ repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the college.
10) A question paper without **"Scheme & Solution" is liable for rejection.**
11) Ensure that the manuscript of the question paper, along with Scheme & Solution, reaches the undersighned, by Registered post on or before the expiry of the date mentioned above.
12) Ensure that the personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
13) In case, by any chance, you are unable to accept this assignment, please intimate the same immediately and return all the enclosures to the undersigned by post with valid reasons for not accepting the assignment.

DEPT. OF INFORMATION SCIENCE & ENGG.

Ballari Institute of Technology & Management No. 873/2, Jnana Gangothri
Campus, Bellary-Hospet Road, Near Allipur, Ballari-583104

Sir / Madam,

Sub: Appointment as Question paper setter for Dec 2015/Jan 2016 Semester End Examinations.

By the direction of Principal, I am pleased to appoint you as question paper setter for the subject with details as mentioned below. You are hereby requested to accept the assignment.

Academic Program: B.E.   **Semester: V   Branch: INFORMATION SCIENCE & ENGG.**

Course Code: ISC319   Course: Software Engineering No. of set(s): 01

To be submitted before: 13-11-2015

INSTRUCTIONS TO PAPER SETTERS

- **For All courses.**
  ➤ Set **Eight** questions out of which the students have to answer **five full questions** as per the pattern below.
  Question paper pattern

Unit 1	Set 3 questions of **20** marks each.	Questions **shall be mixed** within the unit
Unit 2	Set 3 questions of **20** marks each.	Questions **shall be mixed** within the unit
Unit 3	Set 2 questions of **20** marks each.	Questions **shall not be mixed**. Refer the syllabus.

  ➤ Students should solve **2 questions** from **unit 1**, **2 questions** from **unit 2** and **1question** from **unit 3**.
  ➤ Questions shall **strictly be** from **the institution** prescribed books, **covering** the entire syllabus. **The question paper Pattern should match with the model question paper announced earlier by the internal faculty / Course Coordinator. The model question paper is attached herewith. Please keep the questions at the same learning levels as mentioned in the model question paper. The examiners should indicate PI Code, Course Learning Objectives (CLO's) & Learning Levels for every question.**
  ➤ Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Please draw all the sketches in **black ink only.** Please provide all sketches on the last page giving appropriate reference in the questions.
  ➤ Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q.3(c) as **Fig. Q3(c)** immediately adjacent to it.
  ➤ Give instructions on issue of handbooks, steam table, charts etc.
- Scrupulously scrutinize the question paper for completeness (**tallying with model question paper**, course code, title & clarity), missing data / figure / marks allocated / repetitions of entire questions or parts thereof & out of syllabus questions and read the question paper meticulously - seal it in appropriate cover enclosed, before handing it over to the Controller of Examinations.
  ➤ Furnish the **scheme & solution**, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
  ➤ A question paper without "Scheme & Solution" is liable **for rejection.**
  ➤ Ensure that the manuscript of the question paper along with scheme & solution is handed over to the undersigned, **in person or by post on the scheduled day/date.**
  ➤ Ensure that you personally destroy the rough draft & other material you had prepared to prepare the manuscript. **No part of the manuscript** or the full version should be retained in **any form.**
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post with valid reasons for not accepting the assignment.

Thanking you,   Yours sincerely,

Dean Examination Affairs

Dear Sir/Madam,
         I am desired to invite you to act as paper setter in the **SUBJECT: SOFTWARE ENGINEERING Subject Code: R12CSE1113 for III B.Tech - I Semester** Branch: Computer Science & Engineering

You are requested to set Two sets of question papers on the above mentioned subject (figures If any, have to be neatly drawn preferably with the help of black pen). Please send the soft copy of the Question Papers to **sicet2012ae@gmail.com** and deliver the hard copy by mentioning the subject name and code number on the covers in person or send them in sealed envelope provided herewith by Registered Post to the following address within one week from the date of receipt of this letter.

Prof. P Mallesham, Principal, Sri Indu College of Engineering & Technology, Sheriguda (Village), Ibrahimpatnam, R.R. District - 501510.

You are requested to seal the question paper first in the inner envelopes and put the inner envelopes in the outer envelope which should again be sealed.
The honorarium for setting of question paper of 3 hours duration is at the rate of Rs. 1000/- per set. In addition to the honorarium, an additional amount of Rs 200/- will be paid to the Paper Setter towards typing, computer printout, handling and postal charges.
I request you to kindly accept this invitation. Please communicate your acceptance.

Your appointment as examiner should be kept STRICTLY CONFIDENTIAL.

The following papers are enclosed:

   A) Forms for setting the papers
   B) The Syllabus prescribed for the papers(Kindly send the syllabus back along with QPs)
   C) Model Question Paper (Kindly send the Model QP back along with QPs)
   D) Remuneration bill for paper setting
   E) Two inner envelopes & one outer envelope.

Yours faithfully,

Principal

Note:
   a) If any relative of the examiner is appearing in the paper to be set by him/her, he/she is requested to communicate the fact to the Principal immediately so that alternative arrangements may be made.
   b) If any examiner is coaching the students privately for the examinations for which he/she is asked to act as Examiner, he/she is requested to intimate the fact to the Principal immediately, so that alternative arrangements may be made.
   c) Kindly note that we are also dispatching the hard copy of this invitation along with all the forms and envelopes. You are requested to send the hard copies of the question papers after you receive these covers, since our college has become Autonomous, we require both hard and soft copies of the question papers. The envelops may please be sealed with your attestation signature.

Dr/Prof.Rajkumar Kulkarni
Sir/Madam,

Sub: Appointment as Paper Setter for May2018/June2018Examinations.

By the direction of Principal, PDA College of Engineering, Gulbarga I am pleased to appoint you as Paper Setter for the subject with the details as under. You are requested to accept the assignment & send the detailed **Scheme & Solution** along with Question Paper. Set the Question Paper either typed (1.5-2spacing) or hand written and take adequate care not to retain any copy of the paper.

Examination   : B.E./B.Arch./M.tech. Sem: IV   Branch: CSE.
Subject:Analysis &Design of Algorlithms   Subject Code:16CS44
Number of Sets: ONE   To be submitted before:15/04/2018

INSTRUCTION TO THE PAPER SETTER

1) There are five units / sections two questions are to be set from each unit / section (Total 10 Questions). The Candidate is required to answer one full question from each unit / section in 3hours / 4hours. & shall have maximum of 100 marks.(Kindly note that Syllabus copy provided has shown that SEE is of 50 marks but you have to set for 100 mraks).
2) Each question shall carry 20 marks and **NOT MORE THAN FOUR** sub-divisions.
3) Use only 'generally accepted short forms' (It is difficult to decipher ' S.T.'as 'Show that')
4) Questions shall be strictly from the prescribed books, covering entire syllabus. There shall be sufficient number of numerical problems for subjects, which involve quantitative methods.
5) Provide neat sketches with reference numbers as these are scanned directly from the manuscript for final printing.
6) Explicitly indicate the figure numbers. For ex. identify the figure pertaning to Q 2(c) as Fig.Q 2(c) immediately adjacent to it.
7) Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks/ tables/charts etc.,
8) However, if special charts, data book are required to be given please explicitly mention the same in the 'instruction to the candidates', at top of the Q.P.
9) Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data/figure/ marks allocated/ repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the college.
10) A question paper without "Scheme & Solution" is liable for rejection.
11) Ensure that the manuscript of the question paper, along with Scheme & Solution, reaches the undersighned, by Registered post on or before the expiry of the date mentioned above.
12) Ensure that the personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
13) In case, by any chance, you are unable to accept this assignment, please intimate the same immediately and return all the enclosures to the undersigned by post with valid reasons for not accepting the assignment.

Yours Sincerely

Controller of Examinations

Encls: 1) Copy of the Syllabus   2) Manuscript Sheets

- Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of THREE subdivisions in each question. Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed bar code booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

Dear Sir/Madam,

   I am desired to invite you to act as paper setter in the **SUBJECT : SOFTWARE TESTING METHODOLOGIES. Subject Code: R14CSE1121** for III B.Tech - II Semester.

        You are requested to comply with the following **Instructions and Guidelines** while setting the question papers and in discharging their duties.

      The question papers must be sent to the e-mail: sicet2012ae@gmail.com

1. Paper-setters shall prepare **TWO** set(s) as per the syllabus enclosed.
2. The Paper-setter shall strictly adhere to the syllabus and the model paper enclosed.
3. The Maximum marks for the question paper is **70 Marks** and the duration of the examination is 3 hrs.
4. The Question paper will have Section - A and Section - B. The candidate has to answer all questions in Section - A and **FIVE** questions in Section – B, choosing at least one question from each Unit
5. The paper setters shall note that the **Section - A** is compulsory. It should contain **Five** short answer questions (five questions carries 4 marks each **covering all five Units of the syllabus.** Thus Section - A carries altogether **20 marks.** The questions are to be set in such a way that they should be specific and require a maximum of 4 to 5 line answers only.
6. The remaining Five questions, namely question no:6 to 15 in **Section - B** (may contain preferably two or more parts) **should cover entire syllabus of all five units** framed from prescribed text books. These questions have a weightage of **TEN marks** each. The questions should be set without any ambiguity.
7. The paper setter shall indicate clearly the marks allotted to each part of the question and level of bloom's taxonomy .
8. The paper setter shall **draw the Figures/Drawings/Circuit diagrams** wherever necessary and label the diagrams, clearly and properly.
9. The paper setter shall indicate clearly on the question paper, the need of any **code book or data sheet** required by the candidate for answering the questions.
10. The paper setters shall ensure confidentiality regarding question papers and the contents therein.
11. **Bloom's Taxonomy :** As per AICTE norms , all the Paper setters are requested to follow the directions given in the Bloom's Taxonomy approved by AICTE . The following table gives an idea of percentage to be allotted to different questions relating to understanding, applying , evaluating etc .
12. **Levels of Bloom's taxonomy:**

Level-1	-	Recall (Remembering)	-- Fundamental Knowledge	-	60%
Level-2	-	Understanding			
Level-3	-	Applying	-- Knowledge on Application & Analysis	-	30%
Level-4	-	Analysing			
Level-5	-	Evaluating	-- Critical Thinking	-	10%
Level-6	-	Creating			

13. Revised Bloom's Taxonomy action verb sheet attached as annexure

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam: Ph.D. / M.Sc.(Research)   Course/Branch: ....

Sem: ...... Sub: Computer Systems Performance Analysis

Sub Code: 16SCE151 / 16SCN321 / No. of sets: one To be submitted before.... **MOST URGENT**
    16SCS154

INSTRUCTIONS TO PAPER SETTERS (CBCS 2016/17 SCHEME) Ph.D./M.Sc.(Research)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE. Intra-module questions are to be set such that the questions should cover the entire ,.module and further, should be answerable for the set marks. **Each question will carry 20 marks.**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the 'Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed bar code booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

Dear Sir / Madam,

Subject: Paper Setting for I MCA II Semester Regular Examinations –
"BLOCKCHAIN TECHNOLOGY "- Reg.

I am happy to inform you that, you are appointed as **paper setter** for the subject(s) **of** "**BLOCKCHAIN TECHNOLOGY**" for **I MCA II Semester Regular Examinations**. I request you to prepare **TWO Question Papers** in the above mentioned subject. As the examinations cited above are commencing shortly, I request you to **forward the copies of the question papers to the following email address.** In case you need any further information / clarification, please do not hesitate to contact **Rajkumar D Bhure, Addl. Controller Examinations (PG), JB Institute of Engineering and Technology (Autonomous), Yenkapally (V), Moinabad(M), Ranga Reddy (Dist), - 500075.**
Email ID: acepg@jbiet.edu.in.   Phone number: 9177210108
The remuneration for setting of the question paper for 3 hours' duration is **Rs. 1200 /- Per Question paper.** You are requested to return the remuneration bill duly signed, along with the question paper (s). Please follow the guide lines given below.

1. The questions are to be prepared within the prescribed syllabi of the subject and units, adopting SI units only. **The syllabus contents are attached.**
2. Kindly set 6 questions consisting of Part A has 1 question (Which is compulsory) Part B has 5 questions from 5 units in "either" "or" pattern. However, student has to answer 5 questions from part B (numbered 2 to 6)
3. The student must be able to answer each question in about 30 minutes and the maximum marks allotted in PART-A for 20 Marks and in PART-B each question is for 50 marks.
4. You are requested to use template attached herewith.
5. Here with requested to set the question papers according to BLOOMs TEXANOMY levels as under

Bloom's Taxonomy	Level
Remembering	L1
Understanding	L2
Applying	L3
Analyzing	L4
Evaluating	L5
Creating	L6

IMPORTANT NOTE: Kindly keep your appointment strictly confidential.

Ref.No/VTU/Exam/2018-2019/ 2078   **STRICTLY CONFIDENTIAL**   Date : 14-10-2019

MR.AZHAR BAIG M,Department of IS, BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT, BELLARY

Sir/Madam,

Sub : Appointment as paper setter for **DEC-JAN 2020 EXAMINATIONS.**

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. You are requested to accept the assignment.

Exam: M.Tech/M.C.A/M.Arch   Course / Branch: IS

Sem: 2   Subject Name: Multimedia Communications   30

Subject Code: 18SCN21   No. of sets: 1   To be submitted before: 25-10-2019

INSTRUCTIONS TO PAPER SETTERS (CBCS 2018 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set **TEN** questions, such that **TWO** questions are set from EACH MODULE.Intra-module questions are to be set such that the questions should cover the entire,module and further, should be answerable for the set marks. **Each question will carry 20 marks.**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

- Set **TEN** questions, such that **TWO** questions are set from **EACH MODULE**. Intra-module questions are to be set such that the questions should cover the entire ,.module and further, should be answerable for the set marks. **Each question will carry 16 marks.**
- Questions shall be designed such that the Revised Bloom's Taxonomy (RBT) lavels as mentioned in the syllabus are assessed. **(Applicable to Question papers of 3rd Sem onwards)**
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of THREE subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution"** is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,   Yours sincerely,

                                      Registrar (Evaluation)

Prof. Shreidhas S.M. Dept. of EE B.I.T.M Ballari

Sir / Madam,

Sub : Appointment as paper setter for **Jan-Feb / June-July 2017** Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam: B.E./B.Tech/B.Arch/M.Arch/MBA/MCA/M.Tech/M.Sc(Eng)/Ph.D.Course/Branch: ....

Sem: I.... Sub : Embedded system design.....................................

Sub Code : 14EPEIS.1.................... No. of sets: one To be submitted before : MOST URGENT.......

INSTRUCTIONS TO PAPER SETTERS

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set eight questions, out of which, the students have to answer five full questions. (Unless otherwise specified).
- Wherever syllabus is made unitwise consisting of **8 units**, ONE FULL question should be set from each unit, (not applicable to MBA).
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of four subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitely mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

3. Use only 'generally accepted short forms' (It is difficult to decipher ' S.T.'as 'Show that')
4. Questions shall be strictly from the prescribed books, covering entire syllabus. There shall be sufficient number of numerical problems for subjects, which involve quantitative methods.
5. Provide neat sketches with reference numbers as these are scanned directly from the manuscript for final printing.
6. Explicitly indicate the figure numbers. For ex. identify the figure pertaning to Q 2(c) as Fig.Q 2(c) immediately adjacent to it.
7. Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks/ tables/charts etc.,
8. **However, if special charts, data book are required to be given, please explicitely mention the same in the 'instruction to the candidates', at top of the Q.P.**
9. Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data/figure/ marks allocated/ repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the college.
10. **A question paper without "Scheme & Solution" will be rejected.**
11. Ensure that the manuscript of the question paper, along with Scheme & Solution, reaches the undersigned, by hand/ Registered post on or before date mentioned above.
12. Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form, with you.
13. In case, by any chance, you are unable to accept this assignment, please intimate the same immediately, with valid reasons for not accepting the assignment.

Yours Sincerely

Controller of Examinations

KPCL

ಕರ್ನಾಟಕ ವಿದ್ಯುತ್ ನಿಗಮ ನಿಯಮಿತ

KARNATAKA POWER CORPORATION LIMITED
(A Premier Power generating Company of Government of Karnataka)

KARNATAKA POWER CORPORATION LTD.,

Memo :

No. ED(BTPS)/BIS/ 576

Date: 13.06.2016

Preamble:

KPCL, a premier power generating company of Karnataka Government, has established a coal fired Thermal Power Station at Kudithini, Ballari District, with an installed capacity of 1700MW. About 650 regular employees & 1200 contract workers are working in this power plant.

About 25,000 MT of coal is required per day to generate 1700MW of power. All necessary pre-cautions are being taken to keep the pollution to its minimum levels both at the plant area & surrounding villages. The stipulations of MoEF & KSPCB are rigidly implemented. Periodic Medical Checkup, OHC facility, Safety PPE's etc. are implemented.

Now, as per NIOH guidelines & Supreme Court instructions, it is proposed to constitute a committee of experts, NGOs & trade union representatives to look in to the issue of Environment, Health & Safety of workers & make recommendations. Three eminent personalities of Ballari were requested to become members of such committee & all of them have graciously accepted our invitation.

ORDERS THERE UPON:

The following committee is hereby constituted to look in to the issue of Environment, Health & Safety of workers at BTPS & make recommendations.

1) Sri. S. Mruthunjaya.
   Executive Director(BTPS)   Chairman.

2) The Director,
   Vijayanagar Institute of Medical Science   Member.
   Ballari – 583 104

3) The Principal,
   Ballari Institute of Technology & Management   Member.
   Allipura, Ballari.

4) Sri. Satish Babu,   Member.
   Chief Functionary,
   Social Welfare Organisation for Rural Development,
   G-6, R.K. Complex, K.C.Road,
   Ballari – 583 101

MR.RAVICHANDRA HONNALLI,Department of CV, BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT, BELLARY
Sir/Madam,

Sub : Appointment as paper setter for June / July-2019 Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam: B.E/B.Tech/B.Arch/M.Arch/MBA/MCA/M.Tech
Sem: 8

Course / Branch: CV
Subject Name: Reinforced Earth Structures

Subject Code: 10CV842
No. of sets: 1

c8
To be submitted before:- 05-04-2019

INSTRUCTIONS TO PAPER SETTERS (2010 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set eight questions, out of which, the students have to answer five full questions. (Unless otherwise specified).
- Wherever syllabus is made unitwise consisting of 8 units, ONE FULL question should be set from each unit, (not applicable to MBA).
- Questions shall strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of four subdivisions in each question. Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without "Scheme & Solution" is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking You,

Yours sincerely,

Registrar (Evaluation)

Encls:
1.Copy of the syllabus.
2.Manuscript sheets
3.Inner cover for the manuscript.
4.Outer barcode cover for QP manuscript & scheme.
5.Inner cover for the scheme & solution.
6.Remuneration bill.
7.Scheme & solution sheet.

REINFORCED EARTH STRUCTURES

Subject Code :	10CV842	IA Marks	: 25
No. of Lecture Hours/Week	: 04	Exam Hours	: 03
Total No. of Lecture Hours	: 52	Exam Marks	: 100

PART - A

UNIT-1

BASICS OF REINFORCED EARTH CONSTRUCTION: Definition, Historical Background, Components, Mechanism and Concept, Advantages and Disadvantage of reinforced earth Construction, Sandwitch technique for clayey soil.
06 Hours

UNIT-2

GEOSYNTHETICS AND THEIR FUNCTIONS

Historical developments, Recent developments, manufacturing process-woven &non-woven, Raw materials – polypropylene (polyolefin), Polyethylene (Polyolefin), Polyester, Polyvinyl chloride, Elastomers, Classification based on materials type – Metallic and Non-metallic, Natural and Man-made, Geosynthetics – Geotextiles, Geogrids, Geomembranes, Geocomposites, Geonets, Geofoam, Geomats, Geomeshes, Geowebs etc.
06 Hours

UNIT-3

PROPERTIES AND TESTS ON MATERIALS

Properties – Physical, Chemical, Mechanical, Hydraulic, Endurance and Degradation requirements, Testing & Evaluation of properties
07 Hours

UNIT-4

DESIGN OF REINFORCED EARTH RETAINING WALLS

Concept of Reinforced earth retaining wall, Internal and external stability, Selection of materials, typical design problems
07 Hours

PART-B

UNIT-5

DESIGN OF REINFORCED EARTH FOUNDATIONS AND EMBANKMENTS

Foundations - Modes of failure of foundation, Determination of force induced in reinforcement ties – Location of failure surface, tension failure and pull out resistance, length of tie and its curtailment, Bearing capacity improvement in soft soils, General guidelines.

Embankments - Concept of Reinforced Embankments, Internal and external stability, Selection of materials, typical design problems
07 Hours

UNIT-6

SOIL NAILING TECHNIQUES

Concept, Advantages & limitations of soil nailing techniques, comparison of soil nailing with reinforced soil, methods of soil nailing, Construction sequence, Components of system, Design aspects and precautions to be taken.
06 Hours

UNIT-7

GEOSYNTHETICS – FILTER, DRAIN AND LANDFILLS:

Filter & Drain – Conventional granular filter design criteria, Geosynthetic filter design requirements, Drain and filter properties, Design criteria – soil retention, Geosynthetic permeability, anticlogging, survivability and durability. Landfills – Typical design of Landfills – Landfill liner & cover, EPA Guidelines, Barrier walls for existing landfills and abandoned dumps
07 Hours

UNIT-8

GEOSYNTHETICS FOR ROADS AND SLOPES

Roads – Applications to Temporary and Permanent roads, Role of Geosynthetic in enhancing properties of road, control of mud pumping, Enhancing properties of subgrade, Design requirements

Slopes – Causes for slope failure, Improvement of slope stability with Geosynthetic, Drainage requirements, Construction technique.
06 Hours

TEXTBOOKS:

1. Design with geosynthetics- Koerner. R.M. - Prince Hall Publication, 2005.
2. Construction and Geotechnical Engineering using synthetic fabrics- Koerner, R.M. & Wesh, J.P.- Wiley Inter Science, New York, 1980.
3. An introduction to Soil Reinforcement and Geosynthetics – Sivakumar Babu G.L., Universities Press, Hyderabad, 2006
4. Reinforced Soil and its Engineering Applications, Swami Saran, I.K. International Pvt. Ltd, New Delhi, 2006
5. Engineering with Geosynthetics- Venkattappa Rao, G, & Suryanarayana Raju., G.V.S.- Tata Mc.Graw Hill publishing Company Limited., New Delhi.

REFERENCE BOOKS:

1. Earth reinforcement and Soil structure- Jones CJEPButterworths, London, 1996.

Circular

Sub: Disbursement of Remuneration and Traveling allowance & others Bills through RTGS-reg

University is disbursing the T.A./D.A./Remuneration etc. to the faculty members for attending the University's works, by way of Demand Drafts/ Cheques. Considering the work involved in the process and on the request of the members, hence forthwith all payments all payments pertaining to the Examination and Others will be disbursed through RTGS. Hence faculty members are requested to submit their claim bills along with following documents to enable this office to take further steps in the matter.

a) Duly filled & signed claim forms in original, with necessary enclosures, if any,

b) Xerox copy of their S.B. A/c cheque leaf of CTS-2010 issued by their banker,

c) Xerox copy of their PAN numbers.

REGISTRAR (EVALUATION)

1.1.3

# BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT

Circular

Date: 06-02-2020

All the faculty members are hereby informed to provide the following information by filling in circulated formats for the NAAC- Criteria 1 for the years 2014 - 19. Kindly submit the hard copies (order copy/appointment letter) for the same by end of the day.

1. Faculties participated in various bodies (i.e, BOE, BOS, Academic Council Member etc.)
2. Faculties who have set the question paper please provide the order copy.
3. Faculties conducted any certification program for the students, kindly provide the following details
   - List of students enrolled
   - Duration of the event
   - Sample of the certificate in hard copy

Divya Bharathi & Kavita C Achchalli
NAAC Criteria 1 representing members

Dr. M Javed Kalburgi
HOD

Note :

Point. 2 Read it as —

Faculties who have received the order copy to set the question paper please provide the order copy. (whether you have set the question paper or not. Kindly submit the hard copy and fill the required information in the given format by the end of the day)

List of faculty members who have received order copy to set the question paper for the year 2014-2019 (Hard copy of ordercopy need to be submitted)

Note – Kindly mention the name of the subject/sem and put a tick mark in the applicable year column

Date: 7 OCT 2017

STRICTLY CONFIDENTIAL

Dr. Shaheeda Banu S .... Dept. of MBA .... BITM Ballari

Sir / Madam,

Sub : Appointment as paper setter for Jan-Feb /~June-July~ 2018.. Examinations.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under. **You are requested to accept the assignment.**

Exam: MBA   Course/Branch: ....
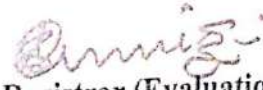

Sem: III.st Sub: ......Consumer Behavior...

Sub Code :.......16.MBAMM301... No. of sets: One. To be submitted before :.25 OCT 2017...........................

INSTRUCTIONS TO PAPER SETTERS (CBCS SCHEME)

- **Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.**
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Question paper shall cover the entire syllabus and shall consist of part A and Part B as under
  - Part A shall consist of SEVEN questions subdivided into a, b, c, in 2 + 6 + 8 mixed patterns.
  - Part B shall be a compulsory question on case study / Practical Problem for 16 marks. (The question may contain a maximum of 4 sub divisions).
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of three subdivisions in each question.** Please avoid subdivisions, with in subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- **Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subject, code, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed booklet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper **without "Scheme & Solution" is liable for rejection.**
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, by any chance, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

Thanking you,

Yours sincerely,

Registrar (Evaluation)

STRICTLY CONFIDENTIAL

Date : 25-09-2019

DR.SHAHEEDA BANU S,Department of MBA, BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT, BELLARY
Sir/Madam,

Sub : Appointment as paper setter for **DEC-JAN 2020 EXAMINATIONS.**

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under.
You are requested to accept the assignment.

Exam: M.B.A
Sem: 3
Subject Code: 14MBAMM303

Course / Branch: MBA
Subject Name: Services Marketing
No. of sets: 1

To be submitted before: 14-10-2019

INSTRUCTIONS TO PAPER SETTERS (MBA-2012 & 2014 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set eight questions, out of which, the students have to answer five full questions. (Unless otherwise specified).
- Wherever syllabus is made unitwise consisting of 8 units, ONE FULL question should be set from each unit, (not applicable to MBA).
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus.** There shall be a **maximum of four subdivisions in each question.** Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.
- Furnish the scheme & solutions, in the enclosed sheet meant for it & seal it in the appropriate cover. Indicate boldly the final answers for all numerical problems.
- A question paper without **"Scheme & Solution"** is liable for rejection.
- Ensure that the manuscript of the question paper, along with scheme & solution, reaches the undersigned, by Registered post on or before the expiry of the date mentioned above.
- Ensure that you personally destroy the rough draft & other material used to prepare the manuscript. No part of the manuscript or the full version should be retained in any form.
- In case, you are unable to accept the assignment, please return all enclosures to the undersigned by return of post, with valid reasons for not accepting it.

   Thanking You,

Yours sincerely,

Registrar (Evaluation)

MR.DINESH K,Department of MBA, BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT, BELLARY

Sir/Madam,

Sub : Appointment as paper setter for DEC-JAN 2020 EXAMINATIONS.

By the direction of the Vice-Chancellor, I am pleased to appoint you as paper setter for the subject with details as under.
You are requested to accept the assignment.

Exam: M.B.A   Course / Branch: MBA

Sem: 3   Subject Name: Investment Management

Subject Code: 14MBAFM303   No. of sets: 1   To be submitted before: 16-10-2019

INSTRUCTIONS TO PAPER SETTERS (MBA-2012 & 2014 SCHEME)

- This appointment is assigned a unique ID represented by the barcode accompanied by the ID in human readable form. The first page of the manuscript cannot be used for a different subject or by a different faculty member. In case you have to use a different first page, write the appointment ID by hand prominently.
- Typed manuscript / scheme will not be accepted. Please write down the questions LEGIBLY.
- Use only 'generally accepted' short forms. (It is difficult to decipher 'S.T.' as 'Show that'.)
- Set eight questions, out of which, the students have to answer five full questions. (Unless otherwise specified).
- Wherever syllabus is made unitwise consisting of 8 units, ONE FULL question should be set from each unit, (not applicable to MBA).
- Questions shall **strictly be from the university prescribed books, covering the entire syllabus. There shall be a maximum of four subdivisions in each question.** Please avoid subdivisions, within subdivisions, for the sake of clarity. Wherever applicable, there shall be a numerical problem in each question.
- Provide neat sketches as these figures are scanned directly from the manuscript for final printing. Sketches should be drawn in black ink only.
- Explicitly indicate the figure numbers. For example, identify the figure pertaining to Q 2(c) as Fig. Q2 (c) immediately adjacent to it.
- Whenever problems are included, **make sure to give all the relevant data from the data handbook, to avoid the issue of handbooks / tables / charts etc..**
- However, if special charts, data book are required to be given, please explicitly mention the same, in the ' Instruction to the candidates', at top of the Q.P.
- Scrupulously scrutinize the question paper for its completeness (subjectcode, subject title & clarity), missing data / figure / marks allocated / repetition of entire question or part thereof & out of syllabus questions. Read the question paper meticulously and seal it in the appropriate barcode cover enclosed, before sending it to the university.

Training Resource Persons	Technical Support
Dr. Raju Jadar	Mr. Irayya Shikkerimath
Prof. K. Raghavendra	Mr. Sridhar Mitti
Prof. Shivaramakrishna	Mr. Basavaraj Pattar
Prof. Pavankumar B K	Mr. Yallappa V T
Prof. Sandeep M J	

Course Objectives

- Recognize to use engineering tools, software for drawing and engage in lifelong learning
- To impart fundamental knowledge of drawing of different machine parts
- To enable the students with concepts of dimensioning and standards related to drawings
- To enable the students draw the assembly of various machine components
- Recognize to use engineering tools, software for drawing and engage in lifelong learning

Course Outcomes

- Understand the machine parts
- Make component drawings.
- Produce the assembly drawings using part drawings

SYLLABUS

5. Three Dimensional Modelling

Types of features, Primitives, reference features, Swept features, remove features, extract features, user-defined features, Primitives, i) model a Block ii) model a shaft iii) model a cone iv) model a sphere, feature operations - Edge Blend, Chamfer, Thread, Trim Body, Split Body, Mirror, Pattern, Boolean Operations-Unite, substract, intersect,

6. Drafting

Overview, creating a drafting, Dimensioning, product and manufacturing information,

7. Exercise on modelling and drafting of standard mechanical parts

8. Assembly Modelling

Terminology related to assembly, assembling approaches-Top up and Bottom down approaches, assembly navigator, and exercises

BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT

Department of Mechanical Engineering

(Research & Development Center)

Certificate Course

On

Flexible Manufacturing System

(FMS)

Course Coordinator	:	Dr.V.Venkata Ramana, Professor
Supporting staff	:	Mr.H.M.Anil Kumar, Asst.Professor
		Mr.Mahesh K , Lab Instructor
		Mr.Giriprasad, Lab Instructor

Course Module

Module 1
3 hours

INTRODUCTION

Basics of NC and CNC machines, advantages, disadvantages and applications of CNC machines. Concepts of automation, types of automations

Module 2
3 hours

Flexible Manufacturing System (FMS)

Basics of FMS, features of FMS, benefits of FMS, three levels of manufacturing flexibility, FMS layouts, FMS components, Automated Guided Vehicle (AGV), Robots.

Module 3
10 hours

Programming Skills on CNC lathe

Introduction to CNC lathe, Specifications of CNC lathe, G codes and M codes, Programming on simple lathe operations like turning, facing, multiple turning, multiple facing cycle operations, threading, drilling operations. *Hands on training*

Module 3
10 hours

Programming Skills on CNC mill

Introduction to CNC mill, specifications of CNC mill, G codes, M codes, Programming on simple milling operations like slotting, contour milling, cutting operations. *Hands on training*

Module 4
10 hours

AGV and Robots

Introduction to Automated Guided Vehicle (AGV) and its functions. Basics of robots and programming knowledge on robot. *Hands on training*

Demo on FMS

> Procedure to run full FMS sequence using CNC lathe, CNC mill, AGV and Robot and its demonstration. *Hands on training.*

Note: FMS certificate course improves the programming skills and develops an ability to write the program individually. The above course is conducted for the batch of 20 to 30 students depending upon the student's strength. Further 20 to 30 students are divided into number of small batches of 4 to 6 students to provide hands on training on individual machines. After successful completion of course, a certificate will be provided to individual students

Prof. Satish Annigeri Ph.D
Registrar(Evaluation)

Sir / Madam,   Date: 12 July 2019

Sub: **M.Tech Viva Examination of Mr./Ms.** USN: **3VC17MPM05**

The following Professors have been appointed as examiners, for the viva-voce examination.

Internal Examiner
Dr. chitriki Thotappa
Industrial and Production
Rao Bahaddur Y. Mahabaleshwarappa Engg. College, Cantonment, Bellary-583 104. , Bellary-583 104.

External Examiner
DR RAGHAVENDRA JOSHI
Mechanical Engineering
Ballari Institute of Technology & Management,Bellary, Bellary-583 104

You are requested to arrange for the viva-voce examination on a day (within 15 days from the date of receipt of this letter) convenient to the examiners and the student with information to this office.

The examiners are required to [**Submit Viva-Voce Marks**] online without fail.

Thanking you,

Yours sincerely,

Sd/-

REGISTRAR (EVALUATION)

This email is copied to:

1. **Dr. chitriki Thotappa**, with a request to contact the co-examiner and fix the date of viva-voce

2. **DR RAGHAVENDRA JOSHI**, To initmate acceptance immediately to the co-examiner, indicating the convenient date for the examination.

3. Copy to the special officer, VTU Regional office, Bangalore/Belgaum/Gulbarga/Mysore, for information.
