**Dear Mr. Mallikarjuna,**

As you are aware that Hon'ble Prime Minister Shri Narendra Modi had a direct interaction with startups, innovators and young entrepreneurs from across the country over video conference on 6<sup>th</sup> June 2018.

During the interaction, he noted that startups are now registered from across 419 districts spread over 28 states and 6 UT's, and that 44% of startups come from Tier II & Tier III cities. Startups are reportedly creating on average 12 jobs per startup. The Prime Minister of India also emphasized that the 10,000 Crore Fund of Funds for Startups established by the Government will generate about 1 Lakh Crore to be invested only in startups.

The State Government of Karnataka has decided to play an active role in promoting the Startup India initiative taken by the Prime Minister Hon'ble Shri Narendra Modi and has teamed up with Invest India, Department of Industrial Policy & Promotion (DIPP) & SingEx Exhibitions (India) for the Startup Karnataka Yatra.

Yours is the College/University has been recommended by state govt. of Karnataka as an ecosystem of potential to be the venue of Bootcamp. You are requested to provide the required assistance and support required for a successful Karnataka Yatra by Startup India

Your responsibilities toward the state partners & Startup Karnataka Yatra Execution Partners (SingEx) will be as given:

**Institutes / Colleges Responsibilities for Boot Camp**

A conference room / class room for "Train the Trainer" Workshop to accommodate 50 people approximately  
Invitations to faculty from nearby institutes to take part in the "Train the Trainer" Workshop An auditorium with a capacity of 250 pax Audio/Video arrangement to make presentations and showcase videos (1 Laptop, Projector & Screen, Audio system – Mic, Speakers, PA system, etc.) 1 faculty coordinator to liaise operations for Boot Camps with SingEx 1 student coordinator and 5 student volunteers for registrations and crowd management

Certificates of appreciation will be given to the Mentors and Coordinators at each Bootcamp. We look forward to your full support towards Startup Karnataka Yatra.

**Regards,****Amit Sharma | Sales & Marketing**

Date: 10-12-2018

To,  
The Principals  
B.E/Diploma/Management/Degree- Streams  
Government/Aided/Private Colleges  
Ballari District  
Karnataka

Respected Sir/Madam,

As you are aware that Hon'ble Prime Minister Shri Narendra Modi had a direct interaction with startups, innovators and young entrepreneurs from across the country over video conference on 6<sup>th</sup> June 2018.

During the interaction, he noted that startups are now registered from across 419 districts spread over 28 states and 6 UT's, and that 44% of startups come from Tier II & Tier III cities. Startups are reportedly creating on average 12 jobs per startup. The Prime Minister of India also emphasized that the 10,000 Crore Fund of Funds for Startups established by the Government will generate about 1 Lakh Crore to be invested only in startups.

The State Government of Karnataka has decided to play an active role in promoting the Startup India initiative taken by the Prime Minister Hon'ble Shri Narendra Modi and has teamed up with Invest India, Department of Industrial Policy & Promotion (DIPP) & SingEx Exhibitions (India) for the Startup Karnataka Yatra.

In this regard, **Ballari Institute of Technology and Management (BITM)**, Ballari has been recommended by state govt. of Karnataka as an ecosystem of potential to be the venue of Boot camp. You are requested to provide the required assistance and support required for a successful Karnataka Yatra by Startup India

In this regards, we require your publicity for the event and request your participation for the same.

Thanking you

Yours faithfully

# Evaluation Report by Shivaprakash Lottanakere

## BRICS - Ideathon - Feb 2019

Shivaprakash Lottanakeri <shivaprakash1803@gmail.com>

Wed 2/20/2019 10:43 PM

To:

Mallikarjuna A <mallikarjunaa@bitm.edu.in>

Cc:

Prof. Prithviraj Y J <prithviraj@bitm.edu.in>

Dear Sir,

Whatever the ideas i have selected 85 % are existing ideas but we have a business opportunity for considering Indian population.

Hope for the best for the next level and we will also get some idea for next time.

While pitching idea in next level we need to consider the below points and educate the students to include in their in ppt

### 1. Summary

Summarize all of the information before you present it and use this opportunity to get your audience interested for your idea  
Talk up the most interesting facts about your idea.

### 2. Team

Grant/Investment will not only get toward your idea, they're investing in your team. It's important they know the people who are going to make the concept successful. Make sure to include your background too, and how it relates to your new company or idea Highlight any of your team's successful exits.

### **3. Problem**

You need to be able to explain the problem your concept is going to solve. Further, you need to prove why u need money should care about solving it with your product or service.

### **4. Solution**

This is the value proposition you are bringing to the table. It should solve the problem you just mentioned. If you have a demo of your product, this is the time to show it. Include any case studies to show that your product has worked for existing customers.

### **5. Marketing/Sales**

You'll want to show the market size for your product. This can include profiles of target customers, but be prepared to answer questions about the cost of acquiring these customers.

### **6. Projections or Milestones**

It is difficult to create financial projections for a startup. If you don't have a long financial history, your forecast is really just an educated guess. Instead, you should present the milestones that you've already reached. For instance, include that you acquired 1,000 customers by X date, that you have a partnership with company Y.

### **7. Competition**

Every business has competition even if you think you're offering something new and unique. List your competition and why your product/service is different from their model. If your competitors have been acquired, list acquisition prices and who acquired them.

## 8. Business Model

Everyone wants to get his money back, so it's important to tell them how you plan on generating revenue. Show a list of the various revenue streams for your model and the timeline for each of them. How will you price your product and what does your competition charge? You should also discuss the lifetime value of your customer and how you will keep him engaged.

## 9. Financing

How you will utilize the fund

## **Criteria For Evaluation By Pavamana Hathibelagal**

1	Problem being addressed
2	Target users / beneficiaries
3	Promise / USP: Cost reduction / Time saving / Environmental or Social cause
4	Skill, Tools & Team to execute
5	Challenges in implementing proposed idea
6	Drawbacks of existing mechanism, if any
7	Scale of impact / disruption / Niche Carving
8	Next step: Scale Up / Diversity / Sell

Sl. No.	Idea Title	Team Members	Academics	Merits	Improvements	Recommendation
1	Magnetic Repulsion Generator	Sunil Kumar H	3rd yr Diploma Mech, Govt Polytechnic	Ingenuity of idea, Strong belief Challenging the conventional machines	Needs to work on working models Needs to get his calculations on spot	Can be called again if he gets his working model, NOT recommended in its current state
2	Gravity Light	Mushahira, Pragnya & Gousiya	6th sem ECE, RYMEC	Very little energy consumption, very less running cost	Depends heavily on perpetual machines concept, still needs to assemble team	Can be called again if he gets his working model, NOT recommended in its current state
3	Natural Composite Material	Vijaykumar N, Rajaz Mohiddin, Kanthikumar & Basanth Prasad	SG Polytechnic	Abundance of raw material, Diverse applications	Need to work on sample and its demonstration of strength/agility etc	Recommended for next round
4	Aqua Pradhaya Sandesh	A Prasanna, VK Praveen & Supritha	BITM	Simplicity of solution & execution	Need to build story and devise around the story	Can be called again if he gets his working model, NOT recommended in its current state
5	Digital Notice board	Tarun Vamsi, Bharat & Ambreen	SG Polytechnic	Simplicity of solution & execution	Need to diversity applications & features	Can be called again if he gets his working model, NOT recommended in its current state
6	Power Generation using speed breakers	Sanya Ashrafi	6th sem ECE, RYMEC	Attention to detail and simple mechanism. Has a working model ready	Need to work on extending applicability	Recommended for next round
7	Solar hybrid car	Sandeep, Basavaraj, Gautam & Yaseen	SG Polytechnic	Good understanding of feature & belief in their idea	Don't have working model yet	Can be called again if he gets his working model, NOT recommended in its current state
8	Abhaya	Jasvinder Kour, Surajkumar, Ghouse Pasha & Harshit Saluja	BITM	Presenter makes strong case and shows compassion	Just logical extension of SAS services. Need to justify the differentiating factor clearly	Can be called again if he gets his working model, NOT recommended in its current state
9	Mini Oven	Nilam Chhedi	BITM	Ingenuity of idea, simple solution to long prevailing problem.	Needs to work on keeping harmful gases away	Recommended for next round

10	Charge Spot	Rahul Mahendrakar, Priya Gowri	SG Polytechnic	Started by questioning conventional solutions & setout to find a radical option	Completely ignored side effects of strong EM rays and how to contain them	Can be called again if he gets his working model, NOT recommended in its current state
11	Auto Traffic Control System	Nagatarun & Ganesh	SG Polytechnic	Started by questioning conventional solutions & setout to find a radical option	Need to differentiate with existing solutions & clarity about technology to use	Can be called again if he gets his working model, NOT recommended in its current state
12	Dual Motor Vehicle Movement	Revanth & Imran	SG Polytechnic	Fresh idea about efficient way of energy flow and feedback loop	Don't have working model yet	Can be called again if he gets his working model, NOT recommended in its current state
13	Providing electgricity for everyone	Zakir Hussain	SG Polytechnic	N/A	Its more of a wish or desire than actual idea	N/A
14	Nirvana	Enoch & Tanishq	BITM	N/A	Its more of a wish or desire than actual idea	N/A
15	Agri Cold	Rajeshwari, Naveen, Sana & Owais	BITM	Helps preserve agricultural produce, increases marketability and reduces loan on farmer	Need to work on calculations more precisely	Recommended for next round
16	People's News	Manjunath & Kalyan	BITM	Radical idea which has high potential of transforming the way we consume information. Presenter really worked elaborately on content and articulation	Need to execute in phases with clear achievable goals	Recommended for next round
17	Online Toll System	Diwakar M	BITM	N/A	Its more of a wish or desire than actual idea	N/A
18	Borewell Rescue Robot	Shreyas, Sheetal, Nagaveni & Mallikarjuna	BITM	Appreciate the compassion and attention to detail by Shreyas. Addresses very important aspect of society	Needs more refinements after few practical attempts with real-life mimics of situation	Recommended for next round

**Raman Gujral**

Faculty Member & Regional Head South India,  
Entrepreneurship Development Institute of India (EDII)

Entrepreneurship development is a process requiring wide range of skills including the power to imagine, conceptualize, define, prepare, execute and reach the final goal of motivating people to become their own masters. Mr.Gujral has successfully devised, planned and executed programmes for the objective of entrepreneurship development & proved himself on above parameters..

He has handled the task of networking and catalyzing the vital linkages between the organization and several donor agencies, organizations and national level institutions such as the Department of Science and Technology (Govt. of India), Small Industries Development Bank of India (SIDBI), National Small Scale Industries Corporation (NSIC), .... and many more to add.

Mr.Gujral is quite comfortable in organizing training programs for unemployed youth, Govt officials, Faculty of various technical institutions, Bankers etc. Providing faculty support on Business Opportunity Identification and Guidance, Project Report Preparation, Marketing Research, Linking SHGs with micro enterprise activities, Traits of Successful Entrepreneurs, Working Capital Management in Micro Enterprises, cluster development, etc.

Preparation of curriculum, entrepreneurship development modules / structures is vital for the success of entrepreneurship development programme and he has prepared and executed such in various facet of entrepreneurship development process. With experience in the field of entrepreneurship development, has resulted in the creation and promotion of new and existing enterprises in the near and far corners of the country.

A financial analyst with a master's degree in financial accounting. Specialises in small enterprise development, various aspects of industrial project identification to project formulation. 26 years of experience in the area of training and development of entrepreneurs. Has extensive work experience of developing different modules on entrepreneurship development & orientation programme for support system officials and V.Os. Actively involved in UNIDO supported NEC programme at Laos, TVTO Programme at Tehran & TVET programme in Philippines, DC establishment process in Sri Lanka, VTC feasibility study at Comoros Islands, Indian Ocean.

Associated with various publications on entrepreneurship, marketing of agro produces and magazine for science tech entrepreneur supported by department of science and technology, govt.of India.

**Fw: Email conversation details of WM. Your Merit360 Interview**

---

bitmbellary &lt;bitmbly@gmail.com&gt;

**From:** World Merit <merit360@worldmerit.org>  
**Subject:** Your Merit360 Entrepreneurship for Sustainable Development  
**Date:** 12 February 2016 at 10:35:33 PM IST  
**To:** undisclosed-recipients;

Hello Changemaker!

I would like to have a Skype call with your students and appraise them about World Merit360 and on Topic Entrepreneurship for Sustainable Development on 3rd week of March 2016.  
Kindly arrange the same.

Also Mr. Sharana Basava You have completed the first step of your application: the online form! Great! We're currently putting people who've applied on the Fast Track to an interview if we loved their application and we loved reading yours! So we want to invite you to take part in the next step: the eligibility interview.  
**You have one week to complete the interview, so until Friday the 19th of February.**

The interview is through Interview People Online. They provide a service that is incredible easy to use for both participant and organisation. It is an online interview by an avatar. This means that you get to **pick a time and date that is convenient for you** to take the interview, before the deadline. The avatar reads you the questions, and you have a specific amount of time to answer this question. We can then review the answers in our own time.

Because it is an online interview, it is incredibly important you find a place with **good internet connection.**

If you do not have a good enough internet connection, we advise you to find a hotel or restaurant that has the best connection in town. There is a letter attached that might help you to undergo the interview at this facility. Or take the interview at a good internet cafe.

You only get one chance of taking this interview. If you start answering one of the questions, time is running and you will not get a chance to go back to your question. Once you have answered a question, it is final. Make sure you always **stop the recording by clicking on the video** after you have answered a question. It might take some time to upload before you can go to the next question.

Make sure you dedicate some time to this interview. The process of setting up needs some specific attention, and uploading the videos can take a lot of time.

**NOTE:** while the video of your answer is uploading, **DO NOT** walk away. After it is uploaded, it will automatically start the next question.

**TIP:** Don't look at yourself when answering the questions but **look into the camera.**  
Make eye-contact.

We would like to give you the opportunity to prepare some (not all) questions in advance. Below, you will find the first 3 questions of your interview.

Make sure you prepare the answers to these questions, but do not read them from your screen or a paper during the interview. Make sure it is still natural and authentic.

**Question 1:**

What do you think is the most pressing issue in the 21st century?

**Question 2:** What

Sustainable Development Goal are you most passionate about to tackle and why?

**Question 3:** What

are you most excited about for Merit360?

The last question of the interview will be a verbal commitment to your SDG. This commitment will be used for the purpose of a video of all Merit360

candidates committing to their SDGs. Please make sure you are confident, look into the camera, speak up and **take out your earphones**

for the last question. It will ask you to say: "I commit to the United Nations Sustainable Development Goal number X: XXX" - this text will appear on your screen when the last questions comes up

Before taking the interview, you need to create an account

**with the email address this email has been sent to.**

Once registered, you can immediately log-in and you will be linked directly to the Merit360 Interview to which you have been invited. Simply avail yourself of a quiet area and,

**using your webcam**

(on your laptop or PC), follow the on-screen instructions.

If you do not currently have Adobe-flash installed on your laptop or PC, you can download it by [clicking](#)

[here](#). When asked to do so, as part of your interview set-up, please click on the Flash 'Allow' and 'Remember' buttons... you only need to do

this once. This is an Adobe-flash permission requirement.

We recommend you sit the practice interview to get yourself familiar with the software.

**Click**

**here to go to the interview.**

**Read the instructions on the page carefully before you start the interview.**

We are looking forward to seeing your interviews. Have fun and good luck!

*Note: this is the first time we are using this program. If anything goes wrong with answering one of the questions, let us know and we will be in touch.*

Thanks and kind regards,

The World Merit Team

**BRICS Empowerment Series - A Invited Talk on Entrepreneurship  
by Dr A. Maulishree CEO KITS**

Dr A.Maulishree visited our campus on 1/02/2019 & 02/02/2019 and interacted with Students & Faculties of our college .

**01/02/2019**

Dr Maulishree A CEO Dept of ITBT and S & T visited our college and briefed to the students about the basics of Entrepreneurship

Students also actively participated and presented their views about Entrepreneurship and many showed their aspirations of becoming entrepreneurs.

It was a wonderful discussion and one- to- one interaction with Mam and students. Based on the feedback students were greatly benefited with the inspiring talk of Dr A. Maulishree

**02/02/2019**

Dr Maulishree A CEO Dept of ITBT and S & T visited our college and interacted with Faculties of our college.

Mam addressed to the faculties the importance of Startups and how can they play a vital role in creating Entrepreneurs

Faculties interacted with mam and discussed about startups and how they can train their students in making their students a successful Entrepreneurs

It was very informative information given by Dr Maulishree A to our faculties and students

**Fw: Request to conduct workshop on entrepreneurship for your students...**

bitmbellary <bitmbly@gmail.com>

**From:** krishna kumar <seedsofkrishna@outlook.com>  
**Sent:** 30 January 2017 22:23:15  
**To:** Prof. Prithviraj Y J  
**Subject:** Request to conduct workshop on entrepreneurship for your students...

Dear Sir,

Good Evening!!

Thanks for your precious time on the call. We spoke in length. I would like to come and deliver the talk on SEEDS Way to Entrepreneurship on 01.02.2017.

Please find below my Profile and Credentials for the Session.

I S Krishna Kumar have authored the Book – “Seeds – Way to Entrepreneurship” that emphasizes students to look at entrepreneurship as a career option. I have started to walk the talk by reaching out to the students to enlighten them about the need for entrepreneurs in our country. To begin with, I have visited a few colleges and have conducted workshops on “Entrepreneurship” and have received positive and constructive feedback from the institutions I have visited. (I am very open to share the feedback received from these institutions). Part of my reach out plan included a meeting where I hosted Principals, Head of the Department staff of more than 100 colleges and walked them through my vision for the younger generation as successful entrepreneurs. I have been getting overwhelming responses from some of these colleges and have a pipeline formed for college visits. I was interviewed by Big FM 92.7 & Vividh Bharathi 102.9 - Bangalore for the service that I am doing.

**Awards Received:**

I am awarded as a “BIG GREEN INDIAN” by Radio station 92.7 in Bangalore.  
I am felicitated by Swami Vivekananda Trust and given “Peace award” for my work in social service.

I also have written to the HRD ministry to consider my book as a part of their syllabus to realize the vision our Prime minister has for our country on “Digital India”, “Startup India”, “Make In India”. It is important that we tap the youngsters and the student base for enabling Entrepreneurial skills right at this stage of the academics. Hence I am requesting you for an opportunity to have a free wheel discussion on how we can make this work for your institution.

I have attached soft copies of few endorsements along with the preface and about the author for you to review. I do realize that you hold a very busy schedule and time can be a challenge, but if you can a few hours of your time, I would be more than happy to meet you in person and explain you in detail about the scope and boundaries of this book.

Thanks in advance for your consideration and looking forward to hearing back from you on conducting the workshop to your students.

Thanks,

KK

Dy. Director,  
Ballari Institute of Technology & Management,  
BELLARY.

**Memorandum of Understanding**

Between

**BALLARI INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

And

**IBM India Pvt. Ltd**

This Memorandum of Understanding ("MOU") is entered into at effective as of 27th December 2016 ("Effective Date"), by and between:

IBM India Private Ltd., a company incorporated under the provisions of the Companies Act, 1956 and having its registered office at Subramanya Arcade, Bannerghatta Road Bangalore 560076 and hereinafter unless the context otherwise requires be referred to as "IBM".

And

**BALLARI INSTITUTE OF TECHNOLOGY AND MANAGEMENT ,NO.873/2,JNANA GANGOTHRI, CAMPUS,BALLARI-HOSAPETE ROAD, NEAR ALLIPURA,KARNATAKA, BALLARI 583104,** hereinafter unless the context otherwise requires be referred to as "BITM".

WHEREAS BITM with a view to provide best in class skills to students and faculty members in higher education and to disseminate knowledge through novel techniques and methodologies for the benefit of large sections of society, offering a wide range of programs.

WHEREAS BITM and IBM having felt the need to provide the learners with the trainings which may lead to enhanced skills, IBM and BITM agree to collaborate through the IBM Career Education program.

WHEREAS BITM and IBM agree that all discussions between BITM and IBM are non-binding unless and until the parties enter into written, definitive agreement signed by their duly authorized representative and neither party shall be obligated to enter into such an agreement.

WHEREAS IBM anticipates that BITM will elect to engage IBM as the primary and preferred technology provider and for software training services.

Now therefore this MOU witnesses:

**1 - DEFINITIONS**

IBM Career Education Program  
  
Dy. Director,

BITM, shall include, unless repugnant to the context otherwise require, its associates-

**"Faculty"** hereby refers to Training Staff of BITM,

**"Students"** hereby refers to all the students of BITM

**"Program(s)"** hereby refers collectively to Career Education program of IBM that includes initiatives like SEED, CEPT etc. for Engineering, IT or Business Schools in colleges and Universities. For more information please refer to <http://ibm.com/in/careereducation>

**"SEED"** hereby refers to the faculty development training program initiative as Software Engineering for Educational Development

**"CEPT"** hereby refers to the program as Career Education for Business Transformation, a training program to provide multi-disciplinary skills to students and faculty members

**Career Education Courses:** courses as agreed with BITM for which BITM students or faculty members will receive training

**"Business Partner"** means organizations certified by IBM to commercially sell its Program and also conduct training under the programs.

**"Software" or "Product"** means the IBM computer software packages identified for introduction in the Program

**"Courseware"** hereby refers to books or education material given in any form like printed books, CDs, PDFs etc.

### **I. Foreseen benefits of the collaboration**

#### **a) BITM**

- Opportunity to emerge as one of the competent entities in the academic circles in various areas of Information technology;
- Opportunity to be recognized by the Industry and academic circles as one of the preferred location/institution for acquiring training and skills in latest technology and software;
- Opportunity to students and faculty members to increase their knowledge and acquire skills on best-in-class IBM Software
- Opportunity to design innovative curriculum and on various industry specialization using relevant IBM Software
- Opportunity to learn from the practitioners in the industry from IBM or business partners
- Opportunity for students and faculty members to avail professional and global certification on IBM Software
- Opportunity to conduct independent non-commercial research by faculty members as per guidelines from IBM time to time
- Opportunity to receive Courseware from IBM designed by professionals in IBM Software Labs
- Opportunity to conduct various seminar and workshops with IBM in the institution
- Opportunity to co-market with IBM to promote Programs

#### **b) IBM**

- Availability of skilled resource pool armed with IBM Software skills that various organizations may want to evaluate for recruitment
- Propagation of IBM Software and technology knowledge & skill to various students and faculty members

### **III – TERMS AND CONDITIONS**

#### **a) Courseware and Training**

IBM, through its own personnel or authorized business partners, will provide Courseware and/or perform the Training activities for Career Education courses as per the details given below in Annexures. The MoU shall only govern the provision of products and services provided by IBM Career Education, a division of IBM India Private Ltd to BITM.

BITM will pay for the courseware and/or trainings in advance to IBM.

Under this MOU, BITM also assures IBM that it will enroll its students and/or faculty members taking IBM Career Education courses every year from the effective date of the signing this MoU. It will also be the endeavor of the BITM management to initiate the process of IBM Career Education courses to be included in their curriculum in case it has not been included so far.

#### b) Software

IBM will provide all relevant IBM Software required for the training programs through the WW Academic Initiative program. This software should be used strictly for training & enablement purposes for students & faculty members of BITM. No commercial usage is allowed. Software is available under applicable IBM International Program License Agreements (IPLA) and terms and the provisions of this MOU only.

#### IV - BREACH OF MOU

In the event of any breach of the terms of this MOU, which is capable of rectification, by either party hereto, such other party shall be entitled to call upon the party to rectify such breach within fifteen days from the date of the notice, failing which the breach shall be deemed to be a material breach, and shall entitle such other party to rescind this MOU for material breach.

#### V - TERM AND TERMINATION

The MOU shall be effective from the effective date, and shall be valid for a term of five (5) years, unless terminated earlier by either party, or extended mutually by both parties hereto, on the same terms and conditions as herein.

This MOU will terminate upon written notice by either party. The notice of termination should be issued at least 30 days before the intended date of termination unless extended or terminated earlier. If at any time any party wishes to withdraw from further evaluations and discussions in connection with the subject matter of this MOU and terminate this MOU, it may do so with or without cause and without liability by providing the other party with written notice of its intention to withdraw from further evaluations and discussions. (in case IBM is providing training then IBM to complete the batch in session and or registered irrespective of termination period / date, subject to all the payments and other obligations having been met by BITM in a timely manner).

In the event of termination of this MOU for any reason whatsoever, including termination due to breach by IBM, any software or courseware licenses granted to BITM by virtue of this MOU, shall also stand automatically terminated without any further act of parties. BITM will also return or destroy at IBM's discretion, all material provided by IBM including courseware slides, soft copy courseware provided by IBM towards trainings.

The following obligations will survive termination of this MOU for any reason:

Use and nondisclosure of confidential information,

Indemnification and Liability,

Obligations to make payments of amounts by BITM that become due by virtue of this MOU, prior to termination.

A handwritten signature in blue ink, appearing to be 'DP' followed by a flourish.

**VI - LIMITATION OF LIABILITY**

Neither party shall be liable for any indirect, punitive, special, incidental or consequential damages arising out of or in connection with this MOU, whether for breach of this MOU or in torts, including loss of business, data, revenue, profits, or for any third party claims against the other (except as specifically admitted by paragraph 2 below) whatsoever.

Except for IBM's obligation to indemnify BITM in the event of breach of third Party Intellectual Property rights (as set out in under the applicable definitive agreement) and except in the event of breach by BITM of any of IBM's Intellectual Property rights or IBM confidential information rights, the Parties agree that either Party's liability for any loss or damage to the other, its customers, or any third party, as a result of or in connection with this MOU, shall not exceed in the aggregate the amounts received by IBM, from BITM under this MOU.

**VII - ARBITRATION**

Any and all disputes, controversy or claims related to or arising in connection with this MOU shall first be referred to Director, BITM or his representative and Country Manager, Career Education program of IBM for an informal resolution.

If this informal resolution does not resolve the dispute, then the matter will be referred to and settled by binding arbitration in accordance with the Arbitration and Conciliation Act, 1996. The seat of any such arbitration shall be Bangalore. The award of the arbitration may be enforceable in any court of competent jurisdiction. Each party shall bear its own costs and fees in connection with the arbitration.

Unless agreed otherwise, the number of arbitrators shall be three, with each side to the dispute being entitled to appoint one arbitrator. The two arbitrators appointed by the parties shall appoint a third arbitrator who shall act as chairman of the proceedings. Vacancies in the post of chairman shall be filled by the president of the Bar Council of India. Other vacancies shall be filled by the respective nominating party. Proceedings shall continue from the stage they were at when the vacancy occurred. If one of the parties refuses or otherwise fails to appoint an arbitrator within 30 days of the date the other party appoints, the first appointed arbitrator shall be the sole arbitrator, provided that the arbitrator was validly and properly appointed. All proceedings shall be conducted, including all documents presented in such proceedings, in the English language. The English language version of this Agreement prevails over any other language version.

**VIII - GENERAL**

This MOU shall not be construed to be an agency or a partnership or joint venture or an employment relationship. Neither party shall be entitled to bind the other party with any third party by its actions, unless it has specifically obtained the prior written consent of such other party to do so.

Each party is an independent contractor, and nothing under this MOU shall be construed to create an employment relationship, whether for tax or for any other purpose, nor any partnership or joint venture between the parties. No provision of this MOU grants either party any express or implied right of authority to assume or create any obligations or responsibility on behalf of or in the name of the other party, or bind the other party in any manner or thing whatsoever. Neither party nor its personnel shall be considered employees of the other.

Neither party shall assign or transfer this MOU or any benefits or rights or obligations accruing to it under this MOU, without the prior written consent of the other party.

IBM shall during the term of this MOU be entitled to audit the courseware & the software license usage records of licenses hosted on BITM premises as well as training attendance records maintained by BITM. This audit can be conducted only during reasonable business hours and two weeks notice for audit. Cost of the audit is to be borne by IBM.

The existence and substance of this MOU and the rights and obligations of the parties herein will be kept confidential by BITM and will not be disclosed to any third party without the prior written consent of IBM. Notwithstanding the foregoing, BITM may make such disclosure to the extent required by law, court or statutory authority, in which case BITM will promptly inform IBM to allow IBM a reasonable opportunity to obtain a protective order. IBM and BITM agree not to use the trademark, trade names, services or any other proprietary marks of the other party in any advertisement, press releases, publicity matters or other promotional materials without prior written approval of the other party. Any press release, publicity or media interaction pertaining to this MoU signing or IBM activities on campus need to have prior written consent from IBM. The use of IBM Logo shall be subject to prior written permission by IBM and under the terms of the applicable agreement such as Trade Mark License Agreement executed between BITM and IBM or IBM's parent or affiliates. Any violation of this paragraph will amount to material breach and will lead to the termination of this MoU.

This MOU supersedes all prior oral or written communication, discussions and representations communicated between the parties hereto in respect of the subject matter of this MOU. Any modification to this MOU shall only be made by way of a written document duly executed by representatives of both parties hereto.

If any provision of this MOU is held to be unenforceable or illegal under certain circumstances for any reason, such decision shall not affect the validity or enforceability of such provisions under other circumstances or the remaining provisions hereof and such provisions shall be reformed only to the extent necessary to make them enforceable under such circumstances.

Any notice under this MOU will be in writing and delivered by hand or by registered mail, return receipt requested, to the other party at the registered office or as may be substituted by the notice. If any notice is sent by mail, notice will be effective on the date of receipt.

BITM shall maintain at all times, a one-point contact for the IBM trainings being conducted at the institution. Any change in the contacts below will be promptly notified to IBM.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the date, month and year, hereinabove written.

**Annexure I to IBM Career Education MoU**

- a) IBM and BITM, acknowledge the need for IBM Software skills, in the IT education and training sector. The objective is to have a number of graduating professionals skilled on IBM Software. Both IBM and BITM are keen to cooperate in a way that shall benefit BITM students pursuing a career in the industry.
  
- b) BITM shall rollout Under / Post-graduate / Certificate / value added programs with specialization aligned with relevant IBM Software delivering all or any of such programs to enrolled students and faculty members. IBM shall provide reasonable support as set-forth below to have BITM commence and conduct this initiative. Such support may include assistance in the form of providing free IBM software products, identified courseware and academic support through Subject Matter Experts. The provision of software, IBM materials and services shall be under a relevant IBM agreement executed by the parties. Such agreement shall govern the use of software, IBM materials by BITM. IBM's responsibilities under this Agreement are subject to BITM fulfilling its responsibilities under the MoU.
  
- c) The curriculum may be provided by IBM or jointly developed by IBM and BITM designated subject matter experts. There may be additional specialized offerings and curriculum may be reviewed and updated by IBM and BITM from time to time with mutual agreement.
  
- d) Joint Co-ordination Committee - To guide the execution of the activities agreed under this MoU, BITM and IBM Career Education team may constitute a Joint Co-ordination Committee (hereinafter referred to as "Committee") as follows:
  - Vice Chancellor &/or Registrar or his nominee as the Chairperson
  - One representative: Professor & Director -Industry & Academic Collaborations, BITM
  - Project Coordinator, BITM (designated Faculty from School of Science & Information Science, BITM)
    - One representative from IBM as member
    - A Project Coordinator from BITM who shall also be the Convener of the Committee.

Chairperson of the committee may recommend changes in the member's from time to time in consultation with the nominating parties and have the same approved by the Head, BITM. The Committee shall recommend on course curriculum, course content, delivery, determination of fee. The Committee shall monitor and review the activities under this MoU and recommend such decisions with respect to any aspect regarding this MoU for the purpose of removing any impediment, promoting the programs arising from this MoU, approving the content and recommending changes therein, the program prospectus and fee structure.

IBM Career Education Program  
  
By, Director

Following are the proposed roles and responsibilities:

**e) IBM**

- Appoint member to the committee
- To co-develop and supply courseware for the students as required
- Provide orientation workshops for the faculty nominated by BITM for the program
- Deploy SMEs for covering topics for students as mutually agreed as per the curriculum
- Provide the participation certificates for all the students who have successfully completed the course

**f) BITM**

- Appoint members and Program Convener to the Joint coordination Committee
- To help IBM to co-develop the curriculum of the program as required
- Promote the program through various channels, develop collateral and market
- Conduct the admissions, deliver Courses agreed as per the curriculum, conduct evaluations/assessments and issue degree accordingly
- Provide detailed session plan
- Share the student data with IBM who apply and enroll to the program as per prescribed format from IBM
- Nominate faculty members for the orientation program by IBM
- Provide the required infrastructure and other support for running the courses as per IBM's specification to IBM or IBM designated Business Partner resources
- In case of a co-branded Lab setup, provide a minimum 30 computer lab that can be designated with appropriate signboards creative as provided by IBM, in the campus.
- Confirm and process the payments to IBM in advance on agreed schedule.

  
By Director

Annexure – 2 to IBM Career Education MoU

## Trademark License Agreement for Co-marketing of the IBM Logo

Trademark License Agreement ("Agreement") made as of 27<sup>th</sup> December, 2016, between IBM India Ltd, a Indian corporation (hereinafter "LICENSOR"), Ballari Institute Of Technology and Management, No 873/2, JnanaGangothri Campus, Ballari-Hosapete Road, Near Allipura, Karanataka, Ballari-583104 (hereinafter "LICENSEE").

### Section 1. DEFINITIONS

- 1.1 "Licensed Mark" shall mean the IBM logo identified in Exhibit 1.
- 1.2 "Logo Usage Guidelines for Co-marketing" shall mean such guidelines as may be established by LICENSOR and modified from time to time, upon reasonable notice, by LICENSOR, providing for the use and display of the Licensed Mark. The current "Logo Usage Guidelines for Co-marketing" are identified in exhibit 2.
- 1.3 "Communications" shall mean the materials identified in Exhibit 3.

### Section 2. LICENSEGRANT

- 2.1 LICENSOR grants LICENSEE a worldwide, non-exclusive, non-transferrable, right and license to use the Licensed Mark on the Communications in accordance with the terms of this Agreement.

### Section 3. USE OF THE LICENSED MARK

- 3.1 LICENSEE agrees to display and use the Licensed Mark solely in the form, manner and style required in the IBM Logo Usage Requirements for co-marketing.
- 3.2 LICENSEE agrees to use the Licensed Mark only on Communications developed as a result of a joint collaboration between LICENSOR and LICENSEE and the usage is for signboard appearing directly outside of the IBM lab at the University and on limited advertising of the lab/courses.

### Section 4. OWNERSHIP OF THE LICENSED MARK

4.1 All ownership rights in the Licensed Mark belong exclusively to LICENSOR. LICENSEE has no ownership rights in the Licensed Mark and shall acquire no ownership rights in the Licensed Mark as a result of its performance (or breach) of this Agreement. All use of the Licensed Mark or variations thereon shall inure solely to the benefit of LICENSOR. Upon termination of this Agreement, all rights of LICENSEE to use the Licensed Mark shall terminate immediately except as otherwise provided herein.

- 4.2 LICENSEE agrees:
1. not to take any action which will interfere with any of LICENSOR's rights in and to the Licensed Mark;
  2. not to challenge LICENSOR's right, title or interest in and to the Licensed Mark or the benefits therefrom;
  3. not to make any claim or take any action adverse to LICENSOR's ownership of the Licensed Mark;
  4. not to register or apply for registrations, anywhere, for the Licensed Mark or any other mark which is similar to the Licensed Mark or which incorporates the Licensed Mark; and
  5. not to use any mark, anywhere, which is confusingly similar to the Licensed Mark.

A handwritten signature in blue ink, appearing to be 'D. P. M.', written over a horizontal line.

Dy. Director,  
Ballari Institute of Technology & Management,  
BELLARY.

**Section 5. QUALITYCONTROL**

5.1 The parties agree that LICENSOR may inspect the COMMUNICATIONS before they are distributed by LICENSEE. LICENSOR shall have forty-eight (48) hours within which to amend or approve the Communications. Approval by LICENSOR shall not be unreasonably withheld.

5.2 Failure to meet the quality standards set forth in this License shall be deemed to be a breach thereof which must be corrected to IBM's satisfaction within seven (7) days, (or the earliest update cycle, whichever comes first), of being put on notice. Until such breach is corrected LICENSEE may not use the Licensed Mark.

**Section 6. PROTECTIONOFTHELICENSEDMARK**

6.1 LICENSEE agrees to notify LICENSOR within ten (10) business days if LICENSEE becomes aware of:

1. any uses of, or any application or registration for, a trademark, service mark or trade name that conflicts with or is confusingly similar to the Licensed Mark;
2. any acts of infringement or unfair competition involving the Licensed Mark; or
3. any allegations or claims whether or not made in a lawsuit, that the use of the Licensed Mark by LICENSOR or LICENSEE infringes the trademark or service mark or other rights of any other entity.

6.2 LICENSOR may, but shall not be required to, take whatever action it, in its sole discretion, deems necessary or desirable to protect the validity and strength of the Licensed Mark at LICENSOR's sole expense. LICENSEE agrees to comply with all reasonable requests from LICENSOR for assistance in connection with any action with respect to the Licensed Mark that LICENSOR may choose to take.

6.3 LICENSEE shall not institute or settle any claims or litigation affecting any rights in and to the Licensed Mark without LICENSOR's prior written approval.

**Section 7. INDEMNITY**

7.1 LICENSOR shall settle or defend all claims made by third parties against LICENSEE and shall thereby indemnify and hold LICENSEE, its officers, agents and employees, harmless from any and all claims made against LICENSEE for infringement or unfair competition arising from LICENSEE's use of the Licensed Mark in accordance with the terms of this Agreement. Following notice of an infringement claim or at any time LICENSOR deems appropriate, LICENSOR may provide LICENSEE a substitute logo for use under the terms and conditions of this Agreement.

7.2 Notwithstanding the above, LICENSOR shall not be liable for any consequential damages, loss or prospective profits, or lost business opportunities.

7.3 To qualify for such indemnification, LICENSEE must notify LICENSOR of any such claim in writing within ten (10) business days of LICENSEE's receipt of such claim, and allow LICENSOR to control and fully cooperate with LICENSEE in the defense of and all settlement negotiations related to such claim.

7.4 LICENSEE shall indemnify LICENSOR, its officers, agents and employees from and against any and all claims, damages, liabilities (including settlements entered into in good faith), suits, actions, judgments, penalties and taxes, civil and criminal, and all costs and expenses (including without limitation reasonable attorneys' fees) incurred in connection therewith, arising out of:

1. any act, omission, neglect or default of LICENSEE or its agents on or in connection with the distribution, promotion or marketing of Communications; or
2. Personal injury or any infringement of any rights (including copyrights) of any person by the sale, distribution, possession, or use of any Communications; or
3. LICENSEE's failure to comply with applicable laws with respect to the distribution, possession or use of any Communications.
4. any and all third party claims, suits, costs, damages, including punitive damages, liabilities of any kind, and attorneys fees incurred arising out of or related to LICENSEE's use of, or representation about the Licensed Mark or any third party's use of the Communications or its content or any of LICENSEE'S products or any other products associated with, used in, or marketed or provided through the Communications.

7.5 LICENSOR's indemnification obligation shall not exceed \$60,000.00.

**Section 8. WARRANTY**

8.1 LICENSOR represents and warrants that it is owner of the Licensed Mark and any corresponding trademark registrations and/or applications related thereto. LICENSOR makes no other warranties of any kind, either expressed or implied, with respect to the Licensed Mark.

Dy. Director,

Ballari Institute of Technology & Management,  
BELLARY.

IBM, the IBM logo, and the IBM Business Partner logo are trademarks of International Business Machines Corporation. © 2004 IBM Corporation. All rights reserved.

**Section 9. DURATION AND TERMINATION**

9.1 This Agreement and the rights and licenses granted hereunder, shall terminate on (3 Years after signing), unless earlier terminated in accordance with its terms or when the MOU between IBM India Ltd and " " ), Ballari Institute Of Technology and Management-Ballari.

9.2 Either LICENSOR or LICENSEE shall have the right to terminate the licenses granted in Section 2 with or without cause at any time on thirty (30) days written notice to the other party.

9.3 If LICENSEE breaches this Agreement, LICENSOR shall have the right to terminate the licenses granted in Section 2 in their entirety. If LICENSOR elects to terminate because of breach of this Agreement, LICENSOR will provide written notice to LICENSEE of the breach and LICENSOR's decision to terminate. If LICENSEE has not cured such breach within seven (7) days of the date of such notice, the licenses granted in Section 2 shall be terminated.

9.4 In the event that a license granted under this Agreement is terminated by LICENSOR under Section 9.2, LICENSEE shall have three (3) months after the date on which termination is effective (Wind-Up Period) to dispose of all Licensed Communications in its inventory. Upon termination of the Wind-Up Period, or immediately upon termination for breach, LICENSEE shall provide LICENSOR with proof of the destruction of all existing Communications which bear the licensed mark.

**Section 10. NOTICES**

All notices and other communications under this Agreement shall be in writing and shall be sent by certified mail with return receipt requested to the other party's then current Executive Coordinator, or designee, at their respective addresses as set forth below. Notification of a change of address must be given in writing. All such mailed notices shall be deemed given and received upon the date indicated on the certified mail receipt.

**Section 11. TRANSFER OF RIGHTS**

11.1 LICENSEE may not, either directly or indirectly, sublicense, assign, or in any way encumber this license. Any attempt to do so shall be void and shall result in immediate termination of this License.

**Section 12. ENTIRE AGREEMENT**

12.1 This Agreement and its attached Exhibits represent the entire agreement between the parties, and fully supersede any and all prior agreements or understandings between the parties pertaining to the licensing of the Licensed Mark by LICENSOR to LICENSEE. This Agreement may not be amended or modified, in whole or in part, except by a written instrument duly executed by all of the parties hereto.

12.2 The failure of any party to insist upon strict adherence to any provision of this Agreement, in whole or in part, on one or more occasions, shall not constitute a waiver of its right to insist upon the strict performance of that or any other provision or part thereof in the future.

12.3 This Agreement and any amendments hereto may be signed in one or more counterparts, each of which, when signed and delivered, shall be deemed to be an original. All such counterparts together shall constitute one and the same valid and binding agreement, even if all of the parties have not signed the same counterpart. Signatures to this Agreement may be delivered electronically or by facsimile, in which case the electronic or facsimile copy of an original signature shall be deemed to be an original signature.

12.4 This Agreement will be governed by the substantive laws of India.

  
Dy. Director,  
Ballari Institute of Technology & Management,  
BELLARY.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed by their authorized representatives as of the date first set forth above.

## Exhibit 2

### IBM Logo Usage Guidelines for Marketing Materials and Websites

These Guidelines set forth the standards and requirements for use of the IBM Logo on Marketing Materials and Websites bearing the IBM Logo and the logo, trademark or trade name of another company.

Compliance with these Guidelines is required. In the event of a conflict between the terms and conditions of the Logo License Agreement and this Exhibit 2, this Exhibit 2 shall prevail.

Guidelines as to the Nature and Content of the Marketing Materials and Websites:

1. Use of the IBM Logo may occur only on Marketing Materials and Websites which clearly and explicitly communicate:
  - a. the scope and nature of the relationship between the parties;
  - b. the responsibilities of each of the parties.

The IBM Logo may not be used in such a way as to attribute to IBM a product or service not actually originating from IBM.

2. Marketing Materials and Websites may not contain any statements, imagery or other materials which are illegal or which may, in the sole judgment of IBM, be in bad taste or inconsistent with IBM's public image, or tend to bring disparagement, ridicule or scorn upon IBM.
3. The IBM Logo may not be placed or applied in a manner which may cause confusion as to the source or origin of the offering or communication.
4. The IBM Logo must always remain distinct and separate. The IBM Logo may not be combined with any other trademark or logo owned by another company nor may it be combined with any text, graphics, imagery or product identifiers. The IBM Logo may not be contained within the text of a sentence.
5. In a sponsorship, when used in proximity to one or more company identifiers, the IBM Logo should be placed and sized to match the visual weight and emphasis of all the other sponsors logos.
6. The use of the IBM Logo must clearly communicate the context or relationship IBM has with the company, event or offering. This may be done by the addition of "relationship text" in the headline, body copy and/or in association with the logo signatures of a communication.
7. The following trademark attribution statement shall be applied on the page on which the IBM Logo is being used or in the legal attribution segment of the Marketing Materials and Websites:

The IBM Logo is a registered trademark of IBM in the United States and other countries and is used under license. IBM responsibility is limited to IBM products and services and is governed solely by the agreements under which such products and services are provided.

Correct Appearance of the IBM Logo:

1. Do not create your own version of the IBM Logo.
2. Do not change the size, color or proportion of the artwork provided by IBM.
3. Always allow a "safe space" around the logotype that is equal to or greater than the height of the IBM Logo in use.
4. Do not place the IBM Logo on active backgrounds that may reduce legibility.
5. Always use the approved IBM Blue:

Color Specifications:

## Memorandum of Understanding

This **Memorandum of Understanding** is signed between **Ballari Institute of Technology** and **M/s. Harita Techserv Ltd**, Chennai on 30<sup>th</sup> May, 2017. This MoU will be subject to the successful setting up of the - Harita Learning Center on Advanced CAD. **This MoU is valid for a period of 3 Years from the date of signing subject to annual audit from Harita.** Three years is by itself subjected to annual performance review. After the review the agreement would be renewed annually.

- Under this MoU, Ballari Institute of Technology will set up the Center with the required infrastructure, workstations and the recommended software to enable the faculty members and student researchers to learn and conduct research on the latest technologies.
- Harita Techserv Ltd shall ensure proper installation of workstations and the required software, and certify the satisfactory performance of the required software and hardware.
- Ballari Institute of Technology shall nominate up to 5 research faculty members to be trained on the required software and tools. Harita Training Experts will intensively train and certify the research faculty on the respective software and tools.
- The trained faculty team of Ballari will enroll 30 students each in 3 Year and Final year identified and evaluated to undergo intense training on the subject matter. Ideally we would like to promote collaborative research using the engineering students from the different streams.
- Harita Identified Experts will periodically mentor, progress monitor the faculty member's research design, skill development, engineering research activities, performances. They will also evaluate the student researcher's learning progression and give additional inputs if required.
- Harita would conduct "Campus Placement Drive" for recruiting "Trainee Engineers" from amongst the student researchers. All standard-recruiting procedures would be strictly followed. Recruited Trainee Engineers would be deputed into Harita's Offshore Development Centers.
- Harita would certify and grade Centers on the basis of year-on-year performance. Research centers demonstrating successful research capability would be considered for outsourcing design, developmental research activities on payment basis. A separate NDA will have to be signed for such outsourced activities.

- Upon requests from academic institution, Harita may depute technical experts in specific domains to give technical seminars; research highlights and also address specific case studies with student researchers. Harita may also consider deputing senior management team members to interact with students on special occasions organized by Ballari Institute of Technology.

### Renewal of Memorandum of Understanding (MOU) of Campus Connect Program

Infosys and Ballari Institute of Technology & Management had entered into a Memorandum of Understanding (MOU) on **20-Dec-04** with respect to enriching the technical education process and to jointly work for enhancing the quality of education imparted to students, faculty and management of selected colleges of the University related to the field of Information Technology (IT). This MoU was subsequently renewed on **19-Dec-07, 19-Dec-10, 18-Dec-12, 17-Dec-14 & 16-Dec-16**. The term of MOU will be expiring on **15-Dec-18**. The parties wish to extend this MOU for further period of Two (2) Years, and therefore agree the term of the MOU till **14-Dec-2020**. The Campus Connect MoU has undergone some modifications. The modified version is given along with this. The terms and conditions of the partnership are detailed out in the MoU.

## Memorandum of Understanding

This Memorandum of Understanding ("MOU") is between Infosys Ltd, a company incorporated under the laws of India with its registered office at Electronics City, Hosur Road, Bangalore – 560 100, India (hereafter referred to as "Infosys"); and **Ballari Institute of Technology & Management** university / engineering college committed to educational excellence having its office **Jnana Gangotri" Campus, 873/2, Bellary-Hospet Road, Allipur, Bellary - 583 104** (Hereafter referred to as "Partner").

### RECITALS:

- A. WHEREAS Partner has been established for the purpose of enriching the technical education process and to jointly work for enhancing the quality of education imparted to students of all the engineering disciplines in the field of Information Technology (IT).
- B. AND WHEREAS Infosys wishes to collaborate with the Partner for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education imparted to students of all the Information Technology ("IT") disciplines.
- C. AND WHEREAS Partner with assistance from Infosys has goals for enhancing the quality of the technical education for students thereby enabling them to meet the industry needs and to be recognized globally.

NOW THEREFORE THE PARTIES HEREBY ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. This MOU is for collaboration between both parties, for mutual benefit, to enhance the quality of the educational experience of students of the Partner and for the specific purposes detailed in Annexure I of this MOU
2. Infosys shall be responsible for providing the requisite course material, publicity material such as handouts, information brochures and posters and conducting faculty enablement programmes as agreed between the parties.
3. The Partner shall be responsible for providing the requisite infrastructure, network and internet access and any other facility required for the education and training.
4. It is agreed that the terms and conditions of any agreed cooperative project (s) as outlined in Annexure I of this MOU shall be the subject matter of separate definitive agreements to be negotiated and agreed upon by the Parties and/or any third parties, wherever applicable, provided always the decision whether to initiate and/or implement any proposed cooperative projects shall be subject to the availability of funds and human resources on the part of each Party.
5. The parties, their representatives, and/or assignees, following the execution of this MOU, desire to maintain close contacts with each other to achieve the goals and objectives of, and to develop the ideas acknowledged in this MOU.
6. Both parties hereby agree to designate a representative from its side who will be the primary point of contact on behalf of that party.
7. Any expenses incurred by the parties for the purpose of this MOU shall be agreed upon and shall be borne as per the mutual agreement.
8. Notwithstanding any other provision of this MOU, neither party shall have any right to use any trademarks or trade name of the other party, nor to refer to this MOU or the obligations performed hereunder directly or indirectly, in connection with any product, promotion, or publication without the prior written approval of the other party
9. All information which has been disclosed to or obtained by either party at any time during the implementation of this MOU, is confidential information. For this purpose, the parties agree to sign the binding non-disclosure agreement in Annexure II.

10. The terms and conditions mentioned herein shall commence on the execution of this MOU and shall continue for a period of two (2) years from the date thereof or for such period as may be determined or extended by the parties from time to time by written notice, unless terminated by either party in accordance with this MOU. Either party may terminate this MOU at any time by providing three (3) months written notice to the other party.
11. Any notice required to be given hereunder shall be in writing and shall be deemed to be sufficiently served on the party if sent by hand or by registered post to the addresses of the party as stated in this MOU. Notices shall be deemed received: -
  - (i) If sent by registered mail, three (3) days after posting;
  - (ii) If by hand, on the day of delivery; and
  - (iii) If sent by telex or facsimile to the correct number or designated address within seventy-two (72) working hours.
12. Both parties agree to take all reasonable steps to ensure the successful completion of the collaboration, and co-operate with each other in duly carrying out the obligation agreed upon.
13. The expiration and termination of this MOU will not affect the terms of those activities, which are in progress at the time of notification of expiry or termination of the MOU.
14. On the termination or expiry of this MOU or when requested by Infosys, the Partner undertakes to return all materials to Infosys without any delay.
15. Each party shall ensure that they do not actively solicit the faculty of the other party who is involved in the implementation of this MOU during the period of such faculty's involvement with the program and for six (6) months thereafter.
16. Both the parties agree that Infosys is not obliged on account of this MOU to recruit any fixed number of students from the Partner.
17. This MOU is an indication of good faith and intent on the part of both parties and does not create any legal obligations between them. In the event of any differences or disputes arising from the implementation of the provisions of this MOU, the parties shall as far as possible settle such differences or disputes in good faith by consultation or negotiation between the parties.
18. Save and except for Clause 6, Clause 7 and Clause 8, this MOU is not a legally binding contract and under no circumstances does this MOU subject either of the parties to liability for breach, whether material or minor, of contract or any other liability under international law or the laws of the country of the respective parties or any other applicable law.

19. The parties hereby agree that they are not bound exclusively by this MOU and are at liberty to enter into any separate agreements or arrangements with any third party without reference to the other party.

In written whereof both parties put their hard seal on the day, month and year herein mentioned.

**ANNEXURE I**

**PURPOSE / SCOPE OF THE COLLABORATION:**

Infosys shall facilitate and share inputs with University / College for imparting technical and soft skills training to the students. The content of the training programs and the Faculty Enablement will be done by Infosys. The details shown in Annexure I are only indicative guidelines, and Infosys may change the following at short notice at its discretion.

**There will not be any cash incentive for the faculty members involved in the training programs (Technical / Soft Skills) at the institution. However, value-added offerings will be there to motivate the faculty members.**

**Student / Education**

1. Create a project bank for final year students
2. Publish Infosys courseware On the Web and provide access
3. Conducting special lectures for students at campuses
4. Participate in Conferences at the national/international level in the college / Seminars/ Contests
5. Increase employability by providing technical and soft skills training
6. Encouraging the students to visit Infosys Campuses

**Faculty**

1. Sharing Industry oriented-courseware and Technology
2. Faculty Enablement Program
3. Sabbaticals at Infosys
4. Interaction with subject matter experts

**University / College**

1. Share best-in-class standards (a) College-college (b) Industry-college
2. Books / CDs / DVDs etc. for the library
3. Strengthen relationship with Universities / Colleges
4. Work with education bodies / universities to align the industry requirements into the college curriculum

ANNEXURE II

**MUTUAL NON-DISCLOSURE AND CONFIDENTIALITY AGREEMENT**

This is an **agreement** ("Agreement" hereafter) between:

**INFOSYS LIMITED**, with its registered office at Electronics City, Hosur Road, Bangalore 560 100 ("Infosys") including its successors; and **Ballari Institute of Technology & Management** operating out **Jnana Gangotri" Campus, 873/2, Bellary-Hospet Road, Allipur, Bellary - 583 104.** ("Partner") including the Partner's employees, affiliates and successors at the time of the entering the agreement and during the tenure of the engagement, that is effective **16-Dec-2018.**

The parties possess competitively valuable Confidential Information (as hereinafter defined) regarding their past, current and future services and products, research and development, customers, business plans, software, listings, holdings, alliances, investments, transactions, intellectual property and rights associated thereto and general business operations. The parties wish to enter into a mutually beneficial relationship, and as such, wish to share their Confidential Information with the other party, including its authorized employees and agents. For the purposes of this Agreement, the party that discloses Confidential Information to the other party shall be referred to as the "Disclosing Party", and the party that receives such Confidential Information from the other party shall be referred to as the "Recipient".

The Recipient may be given access to the Disclosing Party's Confidential Information or to create new Confidential Information for the Disclosing Party.

In view of the above, the parties agree as follows:

**1. Confidential Information**

"Confidential Information" includes any information:

- specifically indicated by the Disclosing Party, either verbally or in writing, as confidential;
- under the circumstances of the disclosure, that are to be treated as confidential; or
- the Recipient creates or produces while performing its obligations under this Agreement, regardless of the media that contains the information.

Confidential Information does not include information, which:

- is generally available to the public at the time of its disclosure to the Recipient;

- becomes known to the public through no fault/action of the Recipient in violation of the terms herein;
- is legally known to the Recipient at the time of disclosure by the Disclosing Party;
- is furnished by the Disclosing Party to third parties without restriction; or
- is furnished to the Recipient by a third party who to the Recipient's knowledge legally obtained said information and the right to its disclosure.
- is developed independently by Recipient without use of or reference to the Disclosing Party's information.

## 2. Restrictions on Use

- (a) The Recipient will not disclose any Confidential Information to third parties for any purpose without the prior written consent of the Disclosing Party. However, where the Recipient is required to disclose Confidential Information in accordance with judicial or other governmental action, the Recipient will give the Disclosing Party reasonable prior notice unless such notice is prohibited by applicable law.
- (b) The Recipient will not use any Confidential Information for any purposes except those expressly contemplated or authorized by the Disclosing Party.
- (c) The Recipient will take the same reasonable security precautions as it takes to safeguard its own confidential information, but in no case less than reasonable care.
- (d) The Recipient undertakes to impose the confidentially obligations on all directors, officers and employees or other persons who work for the Recipient or under its direction and control, and who will have access to the Confidential Information.
- (e) The Recipient will return all originals, copies, reproductions and summaries of Confidential Information in its control, or confirm its destruction as requested by the Disclosing Party.

## 3. Action on Breach

- (a) The Recipient will notify the Disclosing Party immediately upon discovery of any breach of this Agreement by the Recipient, and will cooperate in every reasonable way to help the Disclosing Party regain possession of the Confidential Information and prevent further breach.

- (b) The Disclosing Party will be entitled, without waiving any other rights or remedies, to seek such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

#### **4. Ownership and Warranties**

- (a) All Confidential Information, including the inherent intellectual properties, remains the sole and exclusive property of the Disclosing Party and the Recipient shall no right, title or interest in the same. Similarly, the Disclosing Party does not own any of the intellectual property of the Recipient, including any proprietary methodologies, tools or practices, unless otherwise agreed.
- (b) The Disclosing Party, unless expressly confirmed, makes no warranty regarding the accuracy or reliability of Confidential Information.

#### **5. Applicability of Provisions**

- (a) The provisions of this Agreement are jointly and severally applicable and will not be considered waived by any act or acquiescence, except by a specific prior written confirmation. Accordingly, both parties will expressly agree in writing to any changes in the Agreement.
- (b) If any provision of this Agreement is held illegal, invalid or unenforceable by law, the remaining provisions will remain in effect. Moreover, should any of the obligations of this Agreement be found illegal or unenforceable for any reasons, such obligations will be deemed to be reduced to the maximum duration, scope or subject matter allowed by law.
- (c) If any action at law or in equity is necessary to enforce or interpret the rights arising out of or relating to this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees, costs and necessary disbursements in addition to any other relief to which it may be entitled.

#### **6. Jurisdiction**

This Agreement will be governed by the laws of India on all substantive aspects, and both parties consent to the jurisdiction of the courts in Bangalore.

#### **7. Tenure and Survival**

All obligations created by this Agreement shall survive change or termination of the parties' business relationship for a period of two years from the date of the disclosure of the Confidential Information or the change in/termination of the business relationship of the parties whichever is later.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their duly authorized representatives as of the date first set forth above.

## Memorandum of Understanding (MoU)

This MoU is entered into and executed on this day the 01<sup>st</sup> day of February 2016 between

Ballari Institute of Technology & Management, an Educational Institution with various courses, programs and research, with its registered office at BITM No. 873/2, Jnana Gangothri Campus, Ballari-Hosapete Road, Near Allipura, Ballari, Karnataka - 583 104 (hereinafter referred to as the "Ballari Institute of Technology & Management", which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to include its administrators, executors, successors and permitted assignees) and represented by its Trustee / Dy. Director, Prof. Prithviraj. Y. J

And

VI Solutions -- a partnership firm registered under partnership Act, 1932 with its main office at -#2/3 8th A Cross M. T. Street Vasanthanagar Bangalore - 560052, hereinafter referred to as the "VI Solutions", which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to include all the partners, their respective heirs, administrators, executors, successors and permitted assignees) and represented by its Managing Director Mr. Sunil Kumar. V

As required, Ballari Institute of Technology & Management and VI Solutions shall collectively be referred to as "Parties" and individually as "Party". Ballari Institute of Technology & Management intends to avail the below mentioned services of VI Solutions and VI Solutions has expressed its interest in accepting the assignment.

Both the parties agree to be governed by expressing the following terms and conditions in writing

Dy. Director,  
Ballari Institute of Technology & Management,

**Terms and Conditions:**

1. Ballari Institute of Technology & Management shall organize trainings for students and faculties of Ballari Institute of Technology & Management or Other College Students and Faculties at their college premises which shall be handled by expertise from M/s VI Solutions.
2. The trainings shall be on any of the NI hardware and software Technologies.
3. Ballari Institute of Technology & Management shall organize at least one workshop for students every year which shall be handled by expertise from M/s VI Solutions.
4. Ballari Institute of Technology & Management shall organize at least one Domain based Faculty development program every year which shall be handled by expertise from M/s VI Solutions.
5. M/s VI Solutions shall charge a nominal fee of Rs: 2,500 per participant for the workshop.
6. M/s VI Solutions also intend to guide academic projects for interested Under Graduate students with nominal fee. Project guidance will be only for batches selected by M/s VI Solutions.
7. The sensors and prototype shall be built by the students under the guidance of expertise from M/s VI Solutions
8. M/s VI Solutions will provide the list of problems faced by industry (PDD- Problem Definition Database) to do final year projects & Consultancy work
9. M/s VI Solutions shall assist the college in submitting Joint proposal to funding agencies in association with NI technology
10. M/s VI Solutions will provide Internship for selected PG students of Ballari Institute of Technology & Management with nominal fee
11. M/s VI Solutions will help the faculties of Ballari Institute of Technology & Management to implement their research work.
12. Ballari Institute of Technology & Management cannot hold M/s VI Solutions responsible for reasons beyond the control of M/s VI Solutions.

**Dy. Director,  
Ballari Institute of Technology & Management,  
BALLARI**

13.M/s VI Solutions will exercise due care, diligence and professional approach while its services.

14.M/s VI Solutions would act as independent Contractor with respect to this assignment.

Termination:

Both the parties shall have the right to terminate this Agreement at any time without cause for any reason whatsoever, by giving 30 days' prior written notice.

Dear Mr. Y. J. Prithviraj,

Greetings from Mission10X!

With your cooperation and support Mission10X has reached out to over 15,000 teachers across 24 states through faculty empowerment workshops. During these workshops we have been receiving many requests to support the faculty members in their transition from knowledge level to implement level to Imbibe level on the Mission10X methodologies.

Keeping in mind the needs of faculty, Mission10X team is happy to partner with you in pioneering this initiative in your institution. In this initiative Mission10X is proposing to work closely and intensively with Ballari Institute of Technology & Management and make Mission10X Approach as an integral part of your college culture and thereby make it, self sustainable .

We firmly believe that our relationship will result in better and deeper-engagement, development of leadership capability, improved performance of students and greater recognition for Ballari Institute of Technology & Management.

As per our discussion with the faculty members, the following were considered to be the most important challenges.

- Implementation of new methodologies with already limited time & resources
- Balancing the completion of existing curriculum with new initiatives
- To maintain motivation and momentum for change.

In association with our partners around the world, we have designed an innovative ongoing-process that would allow deeper-partnership with greater team-work to take place, to sustain the change and result in overall development.

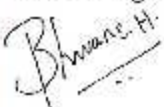

With deeper partnership, we can now-

- Help faculty work together as a team and make better use of time & resources
- Create momentum, motivation and support for faculty to implement new methodologies
- Increase the employability of students by further empowering faculty
- Make teaching more fun for everyone

As we approach to the next level, we would want to meet and discuss with you, the avenues and prospects of our ELITE partnership in making this mission a success.

Looking forward to your response.

Warm Regards,

Bhuvan

# DEEPER ENGAGEMENT

---

*To support and sustain implementation and development together*

**DEAR PROF. DR. U. ERANNA,**

With your cooperation and support Mission10X has reached out to over 15000 faculty members across 24 states in India. The support given by your faculty members in implementing the pedagogic techniques in their classrooms and creating a new environment has given us the zeal and belief to learn and support them in their transition from knowledge level to imbibe & implementation level of the Mission10X methodologies.

Keeping in mind the needs of the faculty members, the Mission10X team is happy to partner with you in pioneering this initiative in your institution. Mission10X is proposing to work closely with BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT and make the Mission10X Approach self-sustainable as an integral part of your college culture.

### **BENEFITS OF ELITE PARTNERSHIP**

- Make innovations and new methodologies part of the college culture
- Support a move from knowing to doing
- Develop leadership capability of the college
- Increase the employability of students by further empowering the faculty members
- Preferential consideration for new Mission10X initiatives
- Elite Partner Certification and Recognition

### **RESPONSIBILITIES OF MISSION10X AND BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT**

The following are the Joint responsibilities of both Mission10X and BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT for the deeper engagement:

#### **1. CHAMPIONS**

Both Mission10X and BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT will identify 2 Champions, one from the college and the other from Mission10X to drive the deeper engagement Initiative.

#### **2. 75% ATTEND WORKSHOP**

At least 75 % of all eligible faculties will go through the main workshop by the end of December 2011. This is to create a significant mass of Mission10X Practitioners within the college. These workshops can be conducted exclusively for the college without any other participating college, if required.

#### **3. 80% OF THIS 75% MxLA CERTIFIED**

At least 80 % of all eligible faculties should be MxLA certified by March 2012 (i.e. 80% of 75%). To give the fastest response possible Mission10X will put BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT on a special-track and assign an Instruction Designer for certification, once assignments are submitted.

Point 2 and 3 will ensure that we have a significant mass of Mission10Xians in the college who have gone through the MxLA certification process and have passed through the 'Knowledge' and 'Implementation' Stages, according to the Mission10X DNA.

#### **4. THE LEARNERS FORUM**

The Learners Forum should be conducted every month in the college to maintain momentum and open sharing of the implementation of practices. Individual implementation should be recognised and appreciated in the forum. There will be a peer-assessment of all implementation practices and a winner will be decided in every forum (parameters for assessment will be provided by Mission10X). The monthly learners' forum is the responsibility of the college Champion and a report of the meeting must

be circulated to the ARM and Mission10X Champion, every month. The Mission10X Champion will provide back up support to help the creation of ongoing value.

## 5. CASE STUDIES & AWARDS

The Winning implementation practice will be converted into a case study (the format will be provided) and submitted to Mission10X. The winning case study at the college level will be eligible to compete at the national level, for the best case study of the month. The winner at the national level will be covered in the Mission10X newsletter and there will also be a reward.

Point 4 and 5 are to ensure a collaborative atmosphere in the college, sharing of good practices and to build the motivation towards sustainability.

## 6. NEW MISSION10X INITIATIVES

New Initiatives of Mission10X like Aarambh and ULK will be introduced in the college from time to time on a priority basis.

## 7. LEADERSHIP WORKSHOP

The principal of the college will be given an opportunity to go through the Leadership Workshop by March 2012.

## 8. RESOURCE GUIDE

BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT and Mission10X to jointly identify faculty members from various disciplines with whom the Mission10X Champion will work with on preparing the Resource Guide for a selected subject/subjects. The Mission10X Champion will be available as a mentor to the faculty for implementation. By the end of year March 2012, BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT with the help of the Champion will create a Resource Guide for the subject. Mission10X will give a reward of Rs 40,000 per resource guide to the participants. They will also be recognised with a certificate, trophy and their names will be acknowledged in the Resource Guide.

## LOGISTICS

The college should manage the logistics and cost of organising the learners' forum in their premises. The college should also appropriately recognise the college Champion and all the other faculty members for their time invested on Mission10X activities like the learners forum and creating resource guides. Mission10X will bear the cost of conducting workshops, certifications, workshops kits, leadership workshop, Aarambh implementation and other rewards and recognition programs.

## ELITE PARTNERSHIP

On Successful completion of all the above 8 Parameters by March 2012, Mission10X will recognise BALLARI INSTITUTE OF TECHNOLOGY & MANAGEMENT as an Elite Partner for implementing the Mission10X activities.

I look forward to your continued support in implementing this initiative. Kindly acknowledge copy of this letter.

Thanking you,

Acknowledgement

**MISSION10X**

Mission10X  
Technology  
Learning  
Center

[WWW.MISSION10X.COM](http://WWW.MISSION10X.COM)

**DEAR PROF.**

With your cooperation and support Mission10X has reached out to over 21000 teachers across 25 states through faculty empowerment workshops. During these workshops we have been receiving many requests to support the faculty members in their transition from knowledge to imbibing & implementing the Mission10X methodologies.

There were many requests to Mission10X, over the years on bridging the Technology gap that exists between University laboratory infrastructure and the industry practices. Unified Technology Learning Platform (UTLP) is conceptualized to bridge this gap. We are pleased to inform that first of the series UTLP has been piloted in 4 Universities successfully. These pilot institutions were able to observe significant benefits in strengthening technology and innovation capabilities of their faculty & students.

#### **BENEFITS OF MISSION10X TECHNOLOGY LEARNING CENTER**

- Reduction of the technology gap between industry and academia by adopting innovative Teaching/Learning platforms
- Curriculum developed based on industry relevant technologies
- Mission10X Technology Learning Center becomes the nodal Technology Center for all UTLP initiatives from Mission10X around your Institute
- Students will be able to implement industry relevant projects at the institute (Internship at the institute). This experience makes students industry ready.
- Encourage entrepreneurship in students to develop next generation products
- Availability of Innovative Resource Guides to administer laboratories in structured way to enhance student learning. These resource guides have Pedagogy and Instructional design methodologies as their backbone
- Easy access to technology by open source(Linux) operating system usage
- All the new developments on UTLP which include Tutorials, Resource Guides, Source code of Experiments, source code of Projects completed, Project frameworks will be available on UTLP page in the Mission10X portal.
- UTLP page in the Mission10X portal supports discussion forums which encourage community based learning
- Opportunity for your faculties and students to showcase technology innovations in Mission10X events.

**DELIVERABLES OF MISSION10X:****1. JOINT BRANDING FOR THE CENTER WITH WIPRO –MISSION10X.****2. FACULTY WORKSHOP ON UTLP**

Mission10X will conduct multilevel training program for faculty members to support them take up UTLP experiments and projects.

a. **Bridge program:** This is to make faculty aware of newer technologies used in the UTLP. This is an optional training which may not be necessary if the faculty are already familiar with ARM and FPGA architectures. This will be self-study through mechanisms like e-learning.

b. **UTLP Practitioner training program:** This will be conducted for 5 days at a convenient location where faculty members need to be available full time. Faculties are taken through the theory and hands on sessions. They complete a mini project also as part of this program.

(Note: The above two training programs are offered to already certified Mission10Xians only)

c. At the time of installation of the UTLP, one day hands on training on usage of the UTLP will be conducted. This helps in more faculties at the institute to get a feel of UTLP.

**3. FACULTY RESOURCE GUIDES (FRG)**

Mission10X will be providing the Faculty Resource Guides for Embedded System Design to the institute. These guides help the faculty members to administer these 2 labs in the institute at Basic and Advanced levels. The binary code associated with these experiments will be available on Mission10X portal for download.

**4. OPEN SOURCE SOFTWARE**

The UTLP comes with embedded Linux 2.6 ported on it. The source code for the Linux port is available on the DVD if you would like to build your own version. You will be able to develop drivers based on the requirements of any project. The DVD also contains the source code for the control panel application, source code of all the sample application programs, source code for the drivers developed for FPGA peripherals.

**5. PROJECT THEMES**

Project themes addressing 3 industry vertical segments are available on UTLP page of Mission10X portal and these will get added from time to time.

**6. ACCESS TO MISSION10X PORTAL**

Faculty members who attend the UTLP practitioner program will get individual logins to the Mission10X portal.

**7. ASSESSMENT FRAMEWORK/STUDENT CERTIFICATION**

Mission10X has developed an assessment framework. This will be made available to the institute and the students can take up the same and get certified on successful completion of their project work on UTLP framework.

**8. SUBJECT TO SATISFACTORY PERFORMANCE OF THE INSTITUTION IN DELIVERY OF VARIOUS RESPONSIBILITIES, MISSION10X WOULD ALSO FROM TIME TO TIME PROVIDE OPPORTUNITY FOR PUBLICATION OF THEIR ACHIEVEMENTS IN VARIOUS FORUMS.**

**RESPONSIBILITIES OF THE INSTITUTE:**

**1. CHAMPION IDENTIFICATION**

Institute will identify one senior Professor (either from ECE or EEE or CS or IT or EIT or TCE) as UTLP Champion from the institute. This Professor will be single point of contact for all UTLP related communication between Mission10X team and Institute. The Champion will be driving all the UTLP initiatives within the institution.

**2. PRACTITIONER TRAINING NOMINATION**

Institute will nominate 2 Assistant Professors (either from ECE or EEE or CS or IT or EIT or TCE) for the UTLP practitioners training who in turn will train faculty and students in their respective institution.

**3. UTLP DEPLOYMENT**

- a. Each trainer will additionally coach 2 more faculties in the institution.
- b. Introduction of UTLP to the students in their second year of study ( 60 students )
- c. Usage of FRG in the 3<sup>rd</sup> year of Engineering Laboratory
- d. Completion of 10 mini projects by the students by 31 March 2013.
- e. Atleast 5 final year projects by 30<sup>th</sup> April 2013.

**4. OPEN SOURCE SUPPORT**

Provide all experiments and projects developed as open source through the Mission10X portal

**5. INFRASTRUCTURE PROVISION**

Provide adequate infrastructure to the Mission10x Technology Learning Center to accommodate 20 UTLP platforms (minimum of 800 Sq Ft). These platforms are bought by the institute from authorized vendors. This center should have a provision to run a laboratory classroom with necessary teaching aids like boards, pointers etc. We encourage the institute to install an LCD projector to be able to conduct trainings when the material is available on power point .

**LOGISTICS**

The college should manage the logistics and cost of organising the training required for more faculty members. Mission10X will provide necessary materials for such trainings. The college should also appropriately recognise the college Champion and all the other faculties for their time invested on the Mission10X Technology Learning Center activities.

**CONTINUATION**

This understanding shall be in force for a period of two years commencing from the date of inauguration of MTLC and may be reviewed by mutual consent. However, the continuation of Mission10X Technology Learning Center is subject to the institute continuing to meet the above mentioned responsibilities and performance thereon.

I look forward to your continued support in implementing this initiative. Kindly acknowledge copy of this letter as acceptance of responsibilities laid in this document.

Thanking you,  
Head Mission10X

# e-Yantra Ideas Competition (eYIC)- 2017

Finalists Participate in  
eYS-2017  
(To be held 14-15 April 2017)

- Provides a platform to encourage innovative projects from robotics labs setup through the e-Yantra Lab Setup Initiative (eLSI), in colleges across the country.
- e-Yantra Ideas Competition (eYIC-2017) will be held as part of e-Yantra Symposium (eYS-2017).

## How to participate:

- A team of 3-4 students mentored by one teacher is eligible to participate.
- Team members can be from any year and from any branch.
- Team submits an Idea Proposal to Coordinator using Idea Proposal Format (available with Coordinator) - a proposal for a project to solve a real-world problem from one of the following Domains:
  - ✦ Agriculture
  - ✦ Home/Industry Automation
  - ✦ Smart City Services
  - ✦ Health Services
  - ✦ Rescue Operations
  - ✦ Space Exploration

### Using any of the Topics such as:

- ✦ Adaptive Control, Image Processing / Computer Vision, Machine Learning / Artificial Intelligence, Sensing and Traversal, Swarm Robotics, etc.

### Coordinator Contact Details:

(Idea Proposal Format is available with the Coordinator)

## Registration Details:

- Any number of teams from a college can submit Idea Proposals to the Coordinator with the following constraints:
  - (i) A student can be part of ONLY ONE team and
  - (ii) A teacher can mentor a maximum of 2 teams (a teacher can be part of one or two teams only).
- Coordinator selects up to four Idea Proposals and nominates them for eYIC.
- Each nominated team registers and uploads their Idea Proposal on the eYIC portal using credentials given to them by e-Yantra.
- e-Yantra evaluates Idea Proposals submitted by teams from participating eLSI colleges across the country and selects teams for next stage.

## Letter of Participation

This is to certify *Vishal Grover* of *Ballari Institute of Technology and Management, Ballari* has participated in Stage 1 of *Bothoven* theme in e-Yantra Robotics Competition (eYRC-2016).

He/She is a member of the team having the following participants,

1. *S Vishwanatha Naik*
2. *Shashank Sunil Amati*
3. *Sagar Attad*
4. *Vishal Grover*

We appreciate their having participated in the Stage 1 of the eYRC-2016.

Prof. Kavi Arya

### A Visit to Hassan MCF

The students of 6<sup>th</sup> semester visited to Master Control Facilities (MCF), lying at distance of about 10kms from the centre of Hassan. MCF at Hassan in Karnataka monitors and control all the Geostationary/Geosynchronous satellites of ISRO namely INSAT, GSAT, Kalpana and IRNSS series of Satellites. MCF activities include round-the-clock Tracking, Telemetry and Commanding (TT&C) operations and special operations like Eclipse Management. The students had an exposure to the technical aspects such as launching the Satellites, Typical view of the Satellite control earth station and inside view of Satellite control centre. The students also visited some picturesque locations in Hassan district such as Halebedu, Belur and Sakleshpura in the Trip.

BITM, Ballari-04

Respected sir,

This letter is regarding the visit to Ballari FM Station, arranged for 5th sem ECE students . The concerned authorities have given us the permission to visit FM station on 4th of September. The students need to pay a nominal fee of Rs 118=00 towards the visiting charges. They have further requested us to send the list of students visiting and the amount through DD.

This is for your kind reference and Permission.

Thanking you,

Your's faithfully

  
Dr.Sadyojatha.K.M

From,  
HOD  
ECE Department,  
BITM, Bellary

To,  
Director  
AIR FM station  
Hospet.

**sub:** Regarding a visit to Your FM Station, Belgal Cross, Ballari  
with respect to above subject, we wish to take our 3rd year ECE students to visit your FM station.

The BITM college has more than a two decade long presence, supports the cause for value based education, offers education for undergraduate programme and post graduate programme, seeks permission for third year ECE students to visit Your Esteemed Organisation.

As a part of the co-curriculum, to provide students with the real insight of working procedure of a FM station, We request you to provide the visit to your FM station. Kindly accord permission for around 60 to 150 students on 4th or 5th of September 2018 or as per your convenient date before 8th of September 2018.

Your Co-ordination in this regard will help the cause of education and also motivate our students waiting with anticipation..  
(if the same letter need be sent in a college letterhead please intimate we will do the same)

VISIT TO FM RADIO STATION

## VISIT TO FM RADIO STATION

## VISIT TO FM RADIO STATION

---

- **Transmission:** Here the recorded program is transmitted with high frequency(103.3MHz). so the transmitter is required to modulate such high frequency and with the help of antenna sends to the receiver .Recorded input makes 99% of data approximately same without any disturbance.

## VISIT TO FM RADIO STATION

---

- **Control room:** It is the room where the vocalist and other recording or live programs are done. Where the sound engineers will operate the professional audio mixing as required to the recording with specialized software suites. Ideally both the recording and controlling and monitoring is done in the control room itself specially by engineers.

JSW Cement Ltd

— cement manufacturer in Toranagallu,  
Karnataka.

SALMA BATHU  
MBA. I Sem. C. Sec.

We had a visit to JSW Cement Ltd under the guidance of Prof. Christopher. It has been an amazing visit where we learnt a lot new subjects regarding cement, its process and the way it is manufactured, then reaching out to various customers and its end users. This visit will definitely help us to know about the product and make it easy to improve in the field of marketing.

It an honour to visit a company whose shares are 25 lakhs and hold 49.4% stake in company.

It made us impressed about the fact that how it utilize slag from the JSW steel plants to produce Green Cement, which is engineered for strength & durability.

It also reduces carbon footprint of the group.

We had a great time watching the process which includes the beginning with mining and then grinding raw materials such as limestone & clay to a fine powder called raw meal, which is then heated to a sintering temperature in a cement kiln. We also viewed how the gypsum controls the setting properties of cement when water is added.

All this process had been a great experience and the part which stole the show was the training room and hospitality.

JSW Cement Ltd

3TR18MBA56 RUTH TASLIM  
MBA II SEM 'C' Sec

- Cement Manufacturer in Toranagalli  
Karnataka.

We had visited to JSW Cement on 8-5-2019  
Under the guidance of prof. Christopher. It has been  
an amazing visit.

We came to know how the Cement is  
manufactured. and its process.

### About the Company:

JSW Cement Limited is a subsidiary, new diversification  
- on foray of 13 billion dollar.

The company has three cement production unit two  
grinding units in Vijaynagara adjacent to JSW steel  
plant near Bellary, Karnataka & Dolvi, Maharashtra  
● Integrated Cement plant in Nandyal Andhra Pradesh.

JSW Cement is leading the way in promoting  
PSC Variant of cement in South India. Portland Slag  
Cement (PSC) also known as green cement as it  
generates least amount of CO<sub>2</sub> during production  
also generates least heat during concreting.

JSW Cement also produces GGBS (Ground  
Granulated BF Slag) which can be used as  
replacement to ordinary portland cement during

concreting and is used in metropolitan cities.

Vision: Global recognition for quality & efficiency while nurturing Nature & society.

Mission: Supporting India's growth in core economic sectors with speed & innovation.

Process:

The raw material is taken from its by product from steel slag. The clinker is brought from Nandyal (Andhra Pradesh) and Gypsum is imported from other countries like (Oman).

These three raw materials are ground in fine powder, and packed in green color bag. In order to tell that JSK cement are Eco-friendly and does not harm the environment.

Portland slag Cement, commonly known as PSC is blended cement. slag is essentially a non-metallic product comprising of more than 90% glass with silicates and aluminosilicate of lime.

At JSK Cement superior quality slag produced at the steel manufacturing plant.

It is created with a combination of upto 45-50% slag, 45% - 50% clinker & 3-5% gypsum.

**BRIEF DESCRIPTION ABOUT THE PROJECT:**

Water Treatment and Wastewater Treatment are subjects studied by 6<sup>th</sup> Semester Students as part of their curriculum, in view of getting practical knowledge a field visit was taken to the students at BITM Sewage treatment Plant, which is located in the college campus itself. Where they came across various varieties of treatments.

**BRIEF DESCRIPTION ABOUT THE PROJECT:** As a part of VTU curriculum, we have taken 7<sup>th</sup> sem Civil students for a field visit i.e., for a Water Treatment plant near Vajpee Badavane, Moka Road, Bellary, which consists of various treatment units for water purification which is supplied to Bellary city for drinking and domestic purpose. The entire field visit was useful to students, as they got knowledge from where the water is drawn, how it is treated and supplied. On the same day we have taken students to flyover under construction near SN Pet, to show Reinforced Concrete structures, Steel Structures. There we visited Retaining wall construction and Plate girder and Gantry girder construction.

### BRIEF DESCRIPTION ABOUT THE PROJECT:

The JSW Raw water Reservoir 3 is the project done by the JSW factory for storing huge capacity of water for industrial purpose. The project was launched in 2016, and construction has begun at the remote, rugged site about 40 km from the Ballari, Karnataka, India

This report presents the result of the site visited of JSW<sup>rs</sup> Raw Water Reservoir which is located at Kuruvekoppa village near Toragallu, Ballari District Karnataka. The site we visited on Saturday 1 September 2018. Morning 10.00 am.

The brief Description of the Reservoir. It is built for storing the water coming from TB dam and Alamatti dam for industrial use for JSW Steel Industry. The construction of reservoir costs around 300 crores By JSW company.

The silent features of the Raw water Reservoir 3 are as shown in below table.

Total Area	707.85 acres
Storage capacity	35.79 Mil cum/ 1.25 TMC
Lowest bed level	469m
Full reservoir level	495m + free board 1.50m
Length of the bund	3200m
Diameter of Jackwell	22m
Height of Jackwell	30m
No of pumps	4+1 Nos
Capacity of pumps	4850cum/hr
Head	53 m

The consultant M/S Kelsatek, Bangalore Under The guidance of IISC Bangalore

Apart from the Laboratory and Academics the students Came to know the how actually the field condition and how the book knowledge is to apply for the field. The Site engineer and Geotechnical Consultant explained well for our students the features of the reservoir. We Are thankful for them for explaining the things from Foundation level. And we are Thankful for our HOD and the management for Giving us opportunity to Visit the field.

Year :- 2017-2018

**PICTURES OF VISIT:**

## BRIEF DESCRIPTION ABOUT THE VISIT:

Maradihalli is 16 km southeast of Chitradurga town and 4 km north of Aiyamangala village along NH-4 (Bangalore - Pune highway).

The Maradihalli lava is basic to intermediate, and shows best developed pillow structures in the Karnataka State, which is preserved as a National Geological Monument by GSI.

(GEOLOGICAL SURVEY OF INDIA)

The pillow structures near Ingaldhal area were also similar to Mardihalli pillow structures.

GSI declared the site as national geological monument [NGM] in 1979 when the government of Karnataka granted 100m x 100m land. The GSI took over nearly two-acre land to preserve the rock structure for the study. There has been no worthwhile development after the recognition of the site as NGM.

'Mardihalli' is one among the 26 National Geological Monuments of India (GMI), and is being maintained by the Geological Survey of India (GSI).

Pillow Lava, Maradihalli, Chitradurga District, Karnataka, hosted within Chitradurga schist belt of Dharwar Group, is one of the best of its kind in the world. This small rocky hillock has been dated 2.5 Billion years ago.

### GEOLOGY OF CHITRADURGA:

- Chitradurga schist belt is a 450 km long linear feature of Archaean age and composed of several types of volcanic and sedimentary rocks. The volcanic rocks range in composition from Spinifex Textured Peridotitic Komatiite (STPK) to rhyolite.
- The city rest belong to the oldest rock of granitic formation in the country.
- The highest hill peak of the area is located at Jogi Matti, 5 km (3.1 mi) to the south of Chitradurga.
- The area covered by the fort is reported to be 1,500 acres (607.0 ha).

YEAR/SEMESTER	VIII Sem
NO OF STUDENTS	11
NO OF FACULTIES	02
EVENT CODE	18CV007

**PICTURES OF SITE VISIT :**

BRIEF DESCRIPTION ABOUT THE SITE VISIT:

It was an one day site visit to Halley's blue steel Industry to 8<sup>th</sup> semester students which is located at industrial area Ballari, where our students have under gone a detailed training about "Steel Structures" Mr. Vishwanath and team helped us a lot regarding giving information about the preparation & manufacture of Rafters, columns, and the different process of steel cuttings and welding as per design standards and transportation. Over all it was a great experience and industry exposure to our final year engineering students. By this industrial visit the students have got enough knowledge, experience & some of the data which are required for them to carry out their final year project work.

Brochure of Two Days Workshop on "Internet of Things (IoT-2018)

Inauguration session of 3- days Advanced Level workshop on "NS3 Simulator" ( NS3 – 2017)

Talk on "National Integration", by Mr. Chakaravarthi Sulibale.

Department of Computer Science & Engineering has conducted the following events:

Year	Department of Computer Science & Engineering		
	Date	Event	No. of participants
2017-18	17-11-2017	One-day workshop on "Publish or Perish: How to Write Scholarly Articles", jointly organized by BITM and IEEE. Resource person is Prof. Dhanu Kumar, IEEE Client Service, Bangalore.	All the Staff members and Final year students
	20-02-2018	IBM Day	All 3 <sup>rd</sup> year students
	09-03-18 To 10-03-18	Two Days workshop on "Ethical Hacking" in association with IIT Bombay and network bulls	88
2016-17	22-09-2017	CSE Department Day	All 2 <sup>nd</sup> ,3 <sup>rd</sup> ,and 4 <sup>th</sup> year students
	13-05-2017	Graduation Day	All Final year Students
	17-02-17 TO 18-02-17	Two Days Workshop on "Multi core Architectures and Programming "	21
	11-04-17 TO 12-04-17	Two Days Workshop on "Introduction to Python "	47
	15-04-17 TO 16-04-17	Two Days workshop on " PC Assembling & Networking "	28
	17-04-17 TO 22-04-17	Student Development Program on "Cloud Computing (Blue Mix) "	38
	11-05-17 TO 20-05-17	Student Development Program on "Cloud Computing (Blue Mix) "	41
	24-05-17	One Day Workshop on Introduction to "Multimedia & 2D Animations"	13
2015-16	13-02-16 TO 16-02-16	Three Days Workshop on "Project Development Methodology & Technical Paper Writing".	27
	24-2-2016 To 25/2/16	Two days Workshop on National Network Security Championship-"ANDROID WORKSHOP" @ BITM Ballari in association with IIT Bombay & Network Bulls	86
	24-3-2016 To	Two days national level workshop on "NS3 and opensource tools " NS3 OSICT - 2016" @ BITM	38

	<b>26-3-2016</b>	Ballari	
	<b>30-3-16 To 31-03-16</b>	Two days workshop on " <b>PC Assembling and Networking PC &amp; N</b> " – 2016 for B.E 4 <sup>th</sup> sem. CSE students @ BITM Ballari	<b>60</b>
	<b>26-04-2016</b>	One day Awareness program on " <b>Skills for Competitive Exams</b> ", Inaugurated by Sri S.R. Chetan, S.P, Ballari district,	<b>All Final Year Students</b>
<b>2014-15</b>	<b>10-04-2015 To 11-04-2015</b>	Two days national level workshop on " <b>Research Issues in Computer science &amp; Engineering</b> " – <b>RICE-2015</b> @ BITM Ballari	<b>36</b>
	<b>24-03-2015 To 25-03-2015</b>	Two days Work shop on <b>INDIAN ANDROID CHAMP-2015</b> @ BITM Ballari	<b>140</b>
	<b>04-03-2015 To 05-03-2015</b>	Two days National Level Workshop on " <b>Big Data &amp; Hadoop</b> " for M. Tech students @ BITM Ballari. Mr. Naveen Gandhi M. Tech 4 <sup>th</sup> Sem. Student is selected to participate at " <i>National Championship Competition on Big Data and Hadoop</i> ", to be held on 28-29 March 2015 @ IIT, Roorke, Uttarakhand	<b>24</b>
	<b>08.03.2015</b>	<b>Inauguration of "Tech Vriksha"</b> DEPARTMENT FORUM ACTIVITIES- "Tech Vriksha", Dr. B.M. Vidyavathi is the coordinator Conducted various programs for 4 <sup>th</sup> and 6 <sup>th</sup> Students.	<b>141</b>

Inauguration of NS3 workshop (2018)

Theory and Lab Sessions of NS3 workshop (2018)

# How to Write a Quality Technical Paper

**Ballari Institute of Technology and Management  
Ballari  
17<sup>th</sup> November 2017**

Dhanukumar Pattanashetti  
IEEE Client Services

Manjula Raja  
BITM

**"Publish or Perish: How to Write Scholarly Articles", jointly organized by BITM and IEEE.**

Workshop on PC Assembling and Networking – Interactive Session

**Invited Talk: One-day Awareness program on "Skills for Competitive Exams", Inaugurated by Sri S.R. Chetan, S.P, Ballari district (2018).**

## Participation of students

YEAR	USN	NAME	STUDENT PROJECT	AWARDS
2017-18	3BR15CS015	Sheethal. K	"Bore-well Rescue operation with Robotic arm using UTLP Kit"	Awarded as Best Student project for the year 2017-18 by IEAE.
	3BR15CS048	Nagaveni		Bagged 2 <sup>nd</sup> Best Project Award in Project exhibition competition Shrushti-2018.
	3BR14EC069	Sreyas Antin		

Awarded as Best Student project for the year 2017-18 by IEAE.

Receiving Award from Dr. Kiran Kumar, Ex-ISRO chairman at Shrushti-2018.

**Participation in intercollegiate as well as national level technical symposiums.**

<b>Sl.No</b>	<b>Student Name</b>	<b>Event</b>	<b>Award</b>
1.	Sheethal K.Nagaveni, Sreyas Antin.	Project exhibition competition Shrushti-2018.	2 <sup>nd</sup> Best Project Award
2.	Aishwarya R	Coding and Debugging at BITM,Ballari	2 <sup>nd</sup> Prize
3.	Harshit Saluja	Paper Presentation on “Smart Sahayata” at Srishti State Level Project Exhibition and Competetion	4 <sup>th</sup> Prize
4.	Jasvinder Kour	Paper Presentation on “Smart Sahayata” at Srishti State Level Project Exhibition and Competetion	4 <sup>th</sup> Prize
5.	S R Sharana Basava	Rajasthan Hackathon 4.0 at Jaipur	Participated
6.	Meet Thakkar	Rajasthan Hackathon 4.0 at Jaipur	Participated
7.	Neelam Vishal Vivek	Rajasthan Hackathon 4.0 at Jaipur	Participated
8.	Meet Thakkar	IBM IOT Hackathon at RV College,Bangalore	Participated
9.	Neelam Vishal Vivek	IBM IOT Hackathon at RV College,Bangalore	Participated
10.	Pooja K	MIND O PEDIA Event conducted at BITM,Ballari	3 <sup>rd</sup> Prize
11.	Sumiya Asgari	Science Experiment Event at World Space Week-2018 organised by Satish Dhawan Space Centre ,ISRO	3 <sup>rd</sup> Prize
12.	Shilpa J	Science Experiment Event at World Space Week-2018 organised by SDSC, ISRO	3 <sup>rd</sup> Prize
13.	Chandana H M	Janani 2018 19 <sup>th</sup> VTU Youth Festival at BKIT , Balki.	Participated
14.	Kiran G	Janani 2018 19 <sup>th</sup> VTU Youth Festival at BKIT , Balki.	Participated
15.	Karthik Vaidya	Janani 2018 19 <sup>th</sup> VTU Youth Festival at BKIT , Balki.	Participated
16.	Meghana G	Janani 2018 19 <sup>th</sup> VTU Youth Festival at BKIT , Balki.	Participated
17.	Sowmya V B	PUPA 2018 at KLE Technological University,Hubbali	Participated
18.	Vennala B	PUPA 2018 at KLE Technological University,Hubbali	Participated
19.	Chandana H M	PUPA 2018 at KLE Technological University,Hubbali	Participated
20.	Kiran G	PUPA 2018 at KLE Technological University,Hubbali	Participated
21.	Neha K, Priyanka Patil, Megha Hiremath, Sushma Harshit Saluja, Aishwarya K M Jeevitha K, Aishwarya H M	Kalasarabhi 2018 ,18 <sup>th</sup> VTU Youth Festival at Angadi Institute of Technology & Management,Belagavi.	Participated
22.	Meet Takar	e-yantra Ideas Competition 2017 held at PES university Bangalore on 03-04-2017	Participated
23.	Akhil R	Yuva Kalanjali 17th VTU Youth festival held at sir MVIT Bangalore from 16 to 19 march 2017	Participated
24.	Arpitha chauhan	Technical Paper presentation held at BITM ballari on 28-3-16	2nd prize
25.	B. Krishna kumar	Technical Paper presentation held at BITM ballari on 28-03-16	2nd prize
26.	Naveen kumar G	Big data Hadoop National championship held at IIT Roorkee from 27-03-15 to 29-03-15	First prize
27.	Rani	National integration camp 2018 held at VSK university Ballari from 13th to 19th march 2018	Participated

28.	A Greeshma M. Akhila Suhel Khan Vishal Revada Rangeeth	Coding and decoding held at PDIT Hospet on 23-04-15	Participated
29.	Nandini Nagar	State wide Engineering IT Quiz TCS TECH BYTES Bangalore	Participated
