Name of the Program:	World Space Week
Date & Venue:	07.10.2018 to 10.10.2018 @ BITM – Ballari
No. of Students Participated:	180
Organizing / Collaborating Agency:	BITM in collaboration with ISRO - SHAR, Sriharikota

Description:

“Ballari Institute of Technology & Management - Ballari”, organized “Worlds Space Week-2018” programme in collaboration with “ISRO Satish Dhawan Space Centre SHAR, Sriharikota, Govt. of India” from 07.10.2018 to 10.10.2018. The aim of this programme was to create awareness about space technology, Science, Engineering and contribution of ISRO to the Nation.

In this programme nearly 8,000 students from various schools and colleges have participated in different events. The eminent scientists from ISRO namely Sri. J. Gopala Krishna, Sri. M. N. Satyanarayana & Sri. Nagaraj delivered seminars on “Advanced Technologies in Space Science”.

Numerous students have participated in quiz / model making / debate competitions, Walkathon & proof of concepts in the space area. This particular program has created lot of interest in Science and Technology among the students of Under Graduate, Graduates, Schools & 12th standard students. The winners of the various events were honoured at the end of the program.

The Goals of the World Space Week was to:

- Provide unique leverage in space outreach and education
- Educate people around the world about the benefits that they receive from space
- Encourage greater use of space for sustainable economic development
- Demonstrate public support for space programs
- Excite young people about science, technology, engineering, and Mathematics
- Foster international cooperation in space outreach and education.

INAUGURATION

World Space Week: Walkathon held
Students of various colleges participate in walkathon

BALLARI, DHNS: Students carrying placards containing slogans like, 'ISRO is for nation; satellite is for communication', 'See to the sky, rise to the sky, twinkle twinkle little star, grow up like a ISRO star', took part in the walkathon organised in Ballari on Sunday, as part of the World Space Week programmes to be hosted by Ballari Institute of Technology and Management (BITM) in association with ISRO's Satish Dhawan Space Centre, in Ballari, from Monday.

The walkathon was inaugurated by SP Arun Rangaraj, speaking after inaugurating, he said, the lives of the people had become much easier due to the contributions of space technology. There are several job opportunities in this field.

he added, ISRO scientist J Gopalakrishna, the president of the Space Week programme, informed that the Week was being organised in order to create awareness among the people and the students about the space technology.

BITM president SJV Mahipal, deputy secretary Y J Prathviraj, and Nodal Officer M A Shakib took part in the walkathon, which passed through the Durgamma temple bridge, Gadigi Chennappa Circle, Bengaluru Road, and H R Gavappa Circle before entering in deputy commissioner's office premises.

DH News Service

Students get ready for Space Week
BALLARI, DHNS: Hundreds of students of Ballari Institute of Technology & Management (BITM) had visited the college during World Space Week activities from Monday.

These students, 40 in total, have been entrusted with the responsibility of explaining to the students and people visiting the college from Monday, about various aspects of space, space exploration, the achievements of Indian Space Research Organisation (ISRO), and about the Space Week.

The students were in the college on Sunday to get trained by the scientists from Sriharikota based Satish Dhawan Space Centre, which is run by the ISRO, about the information displayed on the boards and flexes, which are to be put for public view from Monday.

Meanwhile, the college is getting ready for the occasion. The replica of the satellites produced by the ISRO were placed in another room. Some students were also seen preparing here, jotting down notes, and making research. Some others were busy preparing temporary Planetarium in another room. Centre's scientist Manoj was seen instructing the students, selected for handling the programme on the main stage, about the salient points about space exploration and research.

The students enthusiastically took part in all the drill and rehearsals, and were excited about the entire experience.

"We are experiencing everything anew. We are also excited about explaining to the students and the people about what we had learnt as students in the schools," stated fifth semester students K Satish, S Rohini, and A Prassanna.

Scientist J Gopalakrishna, who is in-charge of the programmes of the Space Week, stated that he was very happy to see the enthusiasm and the excitement of the students.

"We are happy to see more and more students taking part with excitement and enthusiasm. We should also thank Space Week's nodal officer M A Shakib for making all the preparations," he said.

DH News Service

Students prepare for the exhibition to be held at the BITM in Ballari on Monday by Satish Dhawan Space Centre, as part of the Space Week programmes being organised by it in Ballari.

PRINT MEDIA COVERAGE

World Space Week: Quiz contest held
BALLARI, DHNS: As many as 2,250 students took part in the quiz contest organised by Indian Space Research Organisation (ISRO) at 24 centres in Ballari on Saturday.

Students were given one-hour for answering questions carrying 60 marks.

The Space Week programme, to be organised jointly by the Central government, ISRO, the district administration, Indian Red Cross Society, Ballari Institute of Technology & Management (BITM), JSW company, will be held at BITM on October 8 (Monday).

ISRO is holding Space Week programme in only six States in the country, and has selected Ballari for the programme to be held in Karnataka," informed Space Week programme's nodal officer M A Shakib.
