BALLARI INSTITUTE OF TECHNOLOGY AND MANAGEMENT, BALLARI

AICTE approved/CRISIL KA B***Rated/ISO 9001:2015 Certified

Dept Of Management Studies
Presents

Seven days certification course on Digital Marketing

9th to 15th of May, 2019
9.30 AM to 4.30 PM

ABOUT BITM

Ballari Institute of Technology and Management was started under the aegis of T.E.H.R.D. Trust, Ballari in the year 1997. The institution is recognised by Govt. of Karnataka, approved by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University, Belagavi. The institute is certified with ISO 9001:2015 and accredited by NAAC National Board of Accreditation. BITM plays a vital role in crafting world class engineers and management professionals tuned the requirement of fast changing technology and management world. It is for this reason BITM has been Karnataka's one of the premier engineering institutions.

ABOUT BITM-DMS

The Department of Management Studies was established in the year 2007. DMS aims to develop individuals with all required management talents to shoulder challenging responsibilities in the emerging corporate scenarios in the country. The broad goal is to provide students with the foundations in content and competencies that will support their development as effective managers in a variety of organizational settings. The ideology of DMS is to develop facets of management through education, training, counselling and publications. DMS has always been a pioneer in organising Student Oriented Programmes in all functional areas of management such as Marketing, Finance, Human Resource Management, Retailing, Health, Safety and Environment. We have been ranked 49th in Beyond IIM's B-school survey 2014 conducted by Higher Education Review and graded 'KA B***' by CRISIL B-school.

About the Digital Marketing Course

Today, marketing channels are undergoing a paradigm shift. Marketers need to shift focus from just digital presence to creating engaging and efficient customer experiences across digital channels. The current challenge for digital marketers is to create, manage, deliver, and personalize content across such channels. Digital marketing requires a certain skill set to utilize the digital technology effectively. In today's marketing era one must possess digital marketing skills as it opens up a wide variety of job prospects, better pay and position. The future businesses can hardly survive without digital marketing.

This course enables the students to get equipped with the required knowledge and skills in the area of digital marketing as it covers website development using word press, affiliate marketing, mobile app marketing 101, integrated digital marketing strategy, how to sell digital marketing strategy, super blogging.

About the Resource Persons

Dr. Paramita Chaudhuri , presently, working as a Principal for Lady Vailankanni English School, Bangalore. She has obtained her advanced Computer Course and Diploma in Internet from NIIT. She has also '2 years full-fledged course in E-Commerce from Asset International (APTECH). She also works as a chairperson, MTC Global English Language Lab. She had rich experience in companies like Standard Chartered, HSBC, American Express, Ladder to Success, Hewlett Packard, M.Phasis, WebEx and Cicso for over 10 years in the areas of technical support, networking, client service management, Process training, quality control assurance.

She is a sought after trainer and speaker in various national and international forums.

Prof. Bholanath Datta

He is rendering his services as Chief Strategy Officer (CSO) to university 4.0 Project, Vice President, and Asia Pacific Region for Global Institute of IT for Management, New Jersey, USA, Chief Editor to EduBridge World and Chairman-Global Entrepreneur Network. He is having experience over 25 years across defence, industry, consultancy and higher education. He is a top notch mentor and career counsellor and engaged in capacity building of many start – ups in different capacities.

He is a World Bank recognised Quality Assurance Expert in Higher Education and rendering his service in different countries and engaged in different capacities in global accreditation bodies.

He has many national and international reputed awards in his credit. He is the sought after speaker in various national and international forums.

	02:30 PM - 03:15 PM	**Women and Her Health** a talk by Dr Medhini		
	03:15 PM - 04:15 PM	**Nutrition Care for Women** a talk by Dr Shilpa, Home Science Ballari.		
	04:00 PM - 04:15 PM	Vote of thanks and memento distribution.		

Brief-Report Summary of the detailed event	**Date**: 8th March 2019. **Venue**: Auditorium **Time**: 10:00am **Total number of guests** :3 **Total number of people present** : 300+ **Brief Description of the Event:** International Women's day was celebrated in Ballari Institute of Technology and Management (BITM) by WIE Affinity Group in association with IEEE Student Branch BITM. The one-day programme was **sponsored by daughters and granddaughters of Late Shree. Basavarajeshwari,** founding chair of Basavarajeshwari Group of Institutions and former Union Minister of the Sate for Women and Child Development. The event commenced with the inaugural function of the newly formed WIE Affinity Group, BITM in presence of our Chief guest **Ms. Anandi Giridharan, Principal Research Scientist, IISC Bengaluru,** the **Deputy Director Prof Prithviraj Y J,** and all female members of BITM. The inaugural session included lightening the lamp followed by an invocation song by Ms.Swati, student member, IEEE. The opening remarks of the event were given by our deputy director Prof. Prithviraj Y J, that included enlightening us on the noble services extended, by our founder and chair Late. Shree. Basavarajeshwari, towards the upliftment of women and children welfare. Following these, the IEEE coordinator and student branch counsellor, **Dr Manjula R, Senior Member IEEE, faculty in the dept. of ECE,** shared the views of IEEE and the benefits of being the member, as well as her experiences of being the part of IEEE so far. Next, the program proceeded with the power point presentation by **Ms. Prathiba Shanbog,** student member IEEE, who expressed the views on *"Women's Empowerment"* on-behalf-of **Dr. Smruthi Nalawadi, Women's Heart and Health Specialist, Internal Medicine, California, USA** - who thinks a lot for women's welfare and their empowerment.

Further, the stage was taken over by our chief guest **Ms. Anandi Giridharan,** who spoke about **Women's struggle: Balance Family and Profession**. The talk was about women's struggle of balancing both family and profession/research. It strengthened us to be self dependent and confident so that we can smoothly manage all the chores of both the life styles. Further, the guest also shed light on ongoing research at IISC Bengaluru in her department that includes research work on communication protocol, ubiquitous learning, machine learning, etc. Shared some best moments of IISc IEEE events to motivate our female scholars. After the talk, the chief guest was honored with a memento as a token of appreciation.

Next following session was carried by **Ms. Nilam Chheda, WIE Chair, affinity group BITM.** The session brought awareness on IEEE WIE membership benefits.

Finally, the morning sessions ended with some interesting games for lady-faculties of BIMT.

The afternoon sessions were all about creating awareness among young ladies about their personal health and care. These session enlightened all the audience about the personal hygiene and helped them to know about all the dos and don'ts towards self care.

The session started with the message of empowering women (views of Dr Smruthi Nalawadi, USA and presented by Ms Pratibha Shanboh faculty in the dept. of ECE on behalf).

The first session in the aftennon was all about women and her health, handled by **Dr. Medhini Allum, MD, Assistant Professor of Medicine, VIMS, Bellary,** where the talk focused on the personal hygiene of women and the care women must have to take during menstrual cycle, pregnancy etc., The talk also raised the topic about the factors leading to cancer in women and how to be cautioned about its presence in oneself. Over all it was a great session in whole.

The second session in the afternoon all dealt about the nutrition care for women which was taken up by **Dr. Shilpa H, Scientist ICAR-Krishi Vigyan Kendra, Hagari, Ballari**, where the invitee stresses about the diet to be taken by women and the food habits that a normal women should take in to lead a healthy life.

Finally, the sessions were culminated by honoring the chief guests with memento as a token of appreciation.

-Healthy Women, Healthy World.

One Day workshop on "Mobile Application Development Using Android Platform".

VISION

Enhance the technical thinking and learning skills of individual students through Android learning and development process.

MISSION

- To enable the students develop basic Android applications with ease.
- To extend the knowledge of students, by providing an exposure relevant to the new Android technology.
- To encourage students to solve real world problems using Android as a platform.

Objectives

- Demonstrate awareness regarding the current scenarios of Android Platform.
- Encourage students to gain knowledge of developing mobile applications using Android.
- Illustrate the application development scenario using Android.

Outcomes

- Design mobile application modules using Android Platform.
- Identify the advantages of Android platform for application development.
- Analyze impact of Android in mobile application development.
- Evaluate the process of mobile application development.
- Develop mobile application using Android Platform.

Date: 05-03-2019 **Time:** 9.00 AM **Venue:** R&D lab, Ground floor, Millennium block, BITM.

Attendees: Students of the 6th semester, Department of CSE.

Ballari Institute of Technology and Management, Ballari.
Department of Computer Science and Engineering.

Schedule:

Event	Time
Welcome	9:00-9:30
Introduction to Workshop starts	9:30-10:30
Tea break	10:30-10:45
Hands on Session	10:45-12:00
Lunch break	12:00-1:00
Application Design & Development Process	1:00-3:30
Tea and snacks	3:30-3:45
Workshop conclusion and feedback	3:45-4:00

Role and Responsibilities:

1. **Tanveer, Nikhil** – Facilitators of the workshop.
2. **Murali, Sameer and Krupanand** – Poster design and printouts.
3. **Harika, Rakhee, Aishwarya, Soumya and Shravya** – Certificate design and Event broadcasting.

AGENDA FOR "CODE STORM"

VISION

To initiate coding skills and gain unique experience in problem solving by thinking out of the box.

MISSION

- ➤ To provide a space for students to build their intellectual confidence in coding.
- ➤ To extend the computational thinking skills of the students, by providing an exposure to tackle challenges independently.
- ➤ To encourage students to solve real world problems with a growing mind-set.

Objectives

- ➤ To create proficiency in problem solving techniques using the computer.
- ➤ To help students gain knowledge of analysing complex problems and synthesising solutions to those problems with ease.
- ➤ To create awareness about the forum.

Date:02-03-2019

Time:9.30a.m. to 11:00a.m.

Venue:SH 5, 3rd Floor, Millenium Block, BITM

Presents

Two Day Seminar

On

ADVANCED EXCEL FOR FINANCE

NOVEMBER 9TH AND 10TH 2017

About BITM

Ballari Institute of Technology and Management was started under the aegis of T.E.H.R.D. Trust, Ballari in the year 1997. The institution is recognized by Govt. of Karnataka, Approved by AICTE, New Delhi and is affiliated to Visveswaraya Technological University, Belgaum. The institute is certified with ISO 9001:2015 and accredited by NAAC National Board of Accreditation. BITM plays a vital role in crafting world class engineers and management professionals tuned to the requirement of fast changing technology and management world. It is for this reason BITM has been Karnataka's one of the premier engineering institutions.

About BITM-DMS:

The Department of Management Studies (DMS) was established in the year 2007. DMS aims to develop individuals to all required management talents to shoulder challenging responsibilities in the emerging corporate scenarios in the country. The broad goal is to provide students with the foundations in content and competencies that will support their development as effective managers in a variety of organizational settings. The ideology of DMS is to develop facets of management through education, training, counseling and publications.

DMS conducts industry-oriented applied research in all functional areas of management such as Marketing, Finance, Human Resource Management, Retailing, Health, Safety and Environment. We offer MBA course, affiliated to 'VTU, Belgaum', Karnataka ISO 9001:2015 certified, CRISIL B-school 'KA B***' graded, we have been ranked 41" in beyond IIM's B-school survey 2016 conducted by Higher Education Review.

About the Programme

Two day seminar on "Advanced Excel for Finance" enables PG students to handle finance models by applying advanced level tools and applications of Excel. Financial Modeling is the task of building a model representing financial asset and performance of a business. Financial Modeling skills are must for finance and commerce students especially those who want to work as mid-senior management professionals worldwide. The added skills gained through MS Excel training helps finance and commerce students to gain an in-depth understanding of financial modeling techniques to succeed in today's demanding environment.
