Dear TPO/Professors,

Warm Greetings from **TalentNext**.

Thanks for being part of this year training engagement for your nominated students on Java/J2EE skills and successfully completing the training program along with required assessments.

Kindly find below the overall results of all Phase 1 and Phase 2 assessments

Phase 1

Java/J2EE Course Completion Certificates are mailed to all students who had successfully **cleared** all the **3** learning phase milestones of phase 1. Refer to the attached file and filter column AY [Milestones passed and filter to 3]

Phase 2

Java Full stack, course completion certificate will be mailed in this week to all students who had successfully **cleared** Phase 2 assessment. Refer column BE in the attached sheet.

Hope you are aware that **only** students who clear **all 3 learning phase milestones** of **Phase 1** are eligible to be part of Phase 2 learning and Milestone 4 assessment. However, we could find some of the students who had **NOT** cleared phase 1 but had taken the phase 2 assessment. We will be **excluding** these students from Phase 2 assessments, and their results in Phase 2 be considered **null and void**. You can refer to column BF for Phase 2 status.

College Name: **Ballari Institute of Technology & Management**

# Nominated Students	Phase 1 Cleared	Phase 2 Cleared
	Java J2EE Certified	Java Full Stack Certified
378	278	222

- Phase 2 cleared students are subset of phase 1 cleared

Milestone wise - Breakup

	# of Pass	# of Fail	# of Absent
Phase 1			
Milestone 1	317	57	4
Milestone 2	341	32	5
Milestone 3	317	49	12

Phase 2			
Milestone 4	222	50	6

- Refer to the attached sheet for student wise details.

For any clarifications and support, feel free to write to talent.next@wipro.com

Thanks and Regards

Team, **TalentNext**

Flexible Manufacturing System (FMS) - Training Program

CIRCULAR

12.09.2022

It is hereby informed to all the VII semester (2022-23) Mechanical Engineering students that Flexible Manufacturing System (FMS) training program will be conducted during the regular free lab hours. In this regard all the students are instructed to make use of facility as a value added course for your career and attend the FMS lab classes regularly without fail. The batch list of the students is displayed in the notice board.

Mr.Giriprasad, Lab Instructor

Course Module

Module 1

3 hours

INTRODUCTION

Basics of NC and CNC machines, advantages, disadvantages and applications of CNC machines. Concepts of automation, types of automations

Module 2

3 hours

Flexible Manufacturing System (FMS)

Basics of FMS, features of FMS, benefits of FMS, three levels of manufacturing flexibility, FMS layouts, FMS components, Automated Guided Vehicle (AGV), Robots.

Module 3

10 hours

Programming Skills on CNC lathe

Introduction to CNC lathe, Specifications of CNC lathe, G codes and M codes, Programming on simple lathe operations like turning, facing, multiple turning, multiple facing cycle operations, threading, drilling operations. *Hands on training*

Module 3

10 hours

Programming Skills on CNC mill

Introduction to CNC mill, specifications of CNC mill, G codes, M codes, Programming on simple milling operations like slotting, contour milling, cutting operations. *Hands on training*

Module 4

10 hours

AGV and Robots

Introduction to Automated Guided Vehicle (AGV) and its functions. Basics of robots and programming knowledge on robot. *Hands on training*

Module 5

10 hours

Demo on FMS

Procedure to run full FMS sequence using CNC lathe, CNC mill, AGV and Robot and its demonstration. *Hands on training.*

Note: FMS certificate course improves the programming skills and develops an ability to write the program individually. The above course is conducted for the batch of 20 to 30 students depending upon the student's strength. Further 20 to 30 students are divided into number of small batches of 4 to 6 students to provide hands on training on individual machines. After successful completion of course, a certificate will be provided to individual students

Course Objectives

1. To create zeal among the students towards research and innovation
2. To enhance skill development training and self employment opportunities
3. To create opportunities for students and exploit the available resources to the benefit of industry/ society.
4. To foster collaborations for mutual benefits and to maximize Industrial connectivity.
5. To promote our Institute as a major resources center in a company's innovation strategy

Course Outcomes

1. Upgradation of technical skills in manufacturing
2. Acquiring knowledge in programming skills
3. Enhancement of innovation in manufacturing technologies in and around Ballari (rural and urban).
4. Conformity towards standardization of products both in quality in dimensions.

V SEMESTER, MECHANICAL ENGINEERING

Ballari Institute of Technology and Management Ballari

SYLLABUS

1. Introduction

Product Realization Process, Brief History of CAD/CAM Development, Definition of CAD/CAM/CAE,

2. Getting Started

Starting an NX 11 Session and Opening files, Printing, Saving and Closing files, NX 11 Interface, NX 11 Gateway, Ribbon bar, Quick Access Toolbar, Command finder, Top-border, Resource bar, Part Navigator, history, Cue line, Geometry Selection, feature selection, general object selection, User Preference, Visualization, Applications, Layers, Layers control, Commands in Layers, Coordinate Systems, Absolute Coordinate System, Work Coordinate System, Moving the WCS, Translate the WCS, Rotate the WCS, Toolbars

3. Two Dimensional Sketching

Overview, Sketching environment, Sketch Curve Toolbar, Constraints Toolbar, Dimensional Constraints, Geometric Constraints, Display Sketch Constraints, Show/Remove Constraints,

4. Exercises

Course Objectives

- To impart fundamental knowledge of CAD software
- To improve the visualisation skills and understand the conventions used in engineering drawing.
- To enable the students with concepts of dimensioning and standards related to sketching.
- Recognize to use engineering tools, software for drawing and engage in lifelong learning

Couse Outcomes

- Understand the computer Aided drafting software
- Improve their visualization skills.
- Make component sketching.
- Engage in lifelong learning using sketching and drawing as communication tool.

LABORATORY MANUAL

VI SEMESTER, MECHANICAL ENGINEERING

Ballari Institute of Technology and Management Ballari

SYLLABUS

1. Three Dimensional Modeling

Types of features, Primitives, reference features, Swept features, remove features, extract features, user-defined features, Primitives, i) model a Block ii) model a shaft iii) model a cone iv) model a sphere , feature operations - Edge Blend, Chamfer, Thread, Trim Body, Split Body, Mirror, Pattern, Boolean Operations- Unite, subtract, intersect,

2. Drafting

Overview, creating a drafting, Dimensioning, product and manufacturing information,

3. Exercise on modeling and drafting of standard mechanical parts

4. Assembly Modeling

Terminology related to assembly, assembling approaches-Top up and Bottom down approaches, assembly navigator, and exercises

Course Objectives

- To impart fundamental knowledge of drawing of different machine parts
- To enable the students with concepts of dimensioning and standards related to drawings
- To enable the students draw the assembly of various machine components
- Recognize to use engineering tools, software for drawing and engage in lifelong learning

Couse Outcomes

- Understand the machine parts
- Make component drawings
- Produce the assembly drawings using part drawings

Circular

It is hereby informed to all the BE 5th sem students that, CATIA V-5 training will be start from 08/02/23

Venue: Mechanical Dept -CAD lab -2

Training Duration

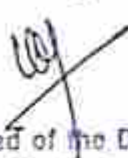

- Training will involve both theoretical and practical
- Students will have 6 hours training every day

Note: All the registered students attend the training without fail

CATIA V5

Module	Session	Contents
Introduction	1	CATIA as a CAD software :- Concept of Parametric Modeling, Feature Based Modeling, User Interface, Mouse operations, File types and Management, drawing profiles. Major user industries of Catia. Why Catia is preferred?
Sketcher	2	Sketcher: Profile toolbar, operation (corner, chamfer, relimitations, transformations, project 3D element), constraints, types of constraints, workbench.
	3	Sketcher:- sketch tools, tools (Sketch solving status, sketch analysis, output feature), visualization toolbar, user selection filter.
	4	Modeling of Machined component, Material Addition and Removal (Pad, Pocket, Shaft, Groove), Sketch and Positioned Sketch, Types of Fillets, Types of Chamfer, Types of Hole.
	5	Modeling of Machined component - 2. Pattern (Rectangular, Circular, User), Thread/Tap, Datum Features (Plane, Axes, Points), Simple Draft. Frequently used commands for Machined components in Catia / Creo

Modelling of Machined Component (Part Modelling)	6	Advance Design features :- Axis System, Types of draft, Shell, Stiffener, rib slot, Multisection solid, Removed multisection solid , Apply Material, Measure, Render.
	7	Introduction To Multibody concept:- Copy Paste, Paste special, Insert body, Boolean Operations (Add,remove,Intersect), Transformation (Translation, Mirror, Scaling, Affinity).
	8	Multibody concept:- Standered example , Negative body concept (Boolean Operations)
	9	Advance Features:- Parameters, Formula, Relations, Design Table.
Drafting	10	Introduction To Drafting & Detailing Theory:- (types Generative – Interactive), Initial Drafting setting, Sheet Background, Views (ortho, ISO), Dimensions (Types-Generate Dimension & Create Dimension).
	11	Views:- (Aux, Section, Details, Clipping, Broken), View properties, DATUMS & Tolerance
	12	Annotations:- GD & T, Symbols, Note, Leaders, Table, Symbols (Machining, Roughness, Welding, Custom), Dress-up Toolbar.

	13	Surfacing Modeling based Plastic Component:- Environment, Tool bars, Surface Creation (Extrude, Revolve, Sphere, Cylinder), Surface Modification, Surface Editing (Trim, Split, Shape Fillet, Close Surface, Thickness).
	14	Surfacing:- Offset(All 3 types), Fill, Blend, Join, healing, Project-Combine.
	15	Advanced Surfacing:- Adaptive Sweep, Sweep(ALL), Multisection Surface.
Wire-frame Modeling	16	Wire-frame Modeling:- Point, Line, Planes, Curves, Circle-Conic, STANDARD EXAMPLES. Use of wire frame modeling,
BIW Templates	17	BIW Templates:- What is BIW, Junction, Diabolo, Hole, Mating Flange, Bead, Blend Corner.
Assembly & Mechanism	18	Introduction to Assembly:- Types of assembly approach, Types of Constrains and DOF, placement of components in the Assembly, Manipulating Components, BOTTOM UP Approach
	19	TOP DOWN Approach:- Part, Product, Component, Space Analysis, Reuse Pattern, Save management.
	20	Assembly Drafting:- Scene(Exploded View), Bill of material, Ballon creation, Graph Tree Reordering.

CO1: To impart fundamental knowledge of CAD software

CO2: To improve the visualization skills and understand the conventions used in engineering drawing.

CO3: To enable the students with concepts of dimensioning and standards related to sketching.

CO4: Recognize to use engineering tools, software for drawing and engage in lifelong learning

CO5: Utilize the precision of Catia as drafting and design tool used in the mechanical design and manufacturing industries.

1. SKILL INDIA 2. DIGITAL INDIA 3. MILLETS Super Nutritional Food	25.04.2023	STAFF AND STUDENTS DEPT OF CSE /A-B/SECTION	AT KOLAGALLU VILLAGE
--	------------	--	-------------------------

Description

On the 25th of April, 2023, the Department of Computer Science and Engineering (CSE) at BITM Ballari, in collaboration with AICTE Activity Points Program, NSS, UBA, and Sansad Adarsh Gram Yojana, organized a comprehensive initiative at Kolagallu Village. The event encompassed three key themes: Skill India, Digital India, and Millets - Super Nutritional Food. Notable figures from the CSE department, including Dr. Chidananda, A. P. Sudhakar, S.P. Hari Krishna, and Asst. Prof. Srinivas Ashok, actively participated, along with 210 members comprising staff and students. The occasion also marked the celebration of the International Year of Millets (IYM) in 2023. As a part of the AAPP, final year students from the CSE department conducted a unique Millets Awareness Program at Kolagallu village, promoting the use of millets, specifically "Shree Anna," as a sustainable and nutritious food source. With the hashtag #IYM2023CSEBITM, the students aimed to raise awareness about the benefits of incorporating millets into daily diets for a healthier and more eco-friendly lifestyle. This multifaceted initiative showcased the commitment of BITM to engage in impactful activities that contribute to skill development, digital literacy, and the promotion of nutritional and sustainable food choices in the community.

Description

On the 24th of April 2023, the Department of Electronics and Communication Engineering (ECE) at BITM Ballari, under the umbrella of the AICTE Activity Points Program and in collaboration with NSS, UBA, and Sansad Adarsh Gram Yojana, organized a dynamic initiative at Belagaluru Thanda and Janekunte Haraginadoni Village. The event, which saw the active participation of 204 members, including staff and students, focused on three significant themes: Skill India, Digital India, and the endeavor to skill the rural population. Distinguished figures from the ECE department, including Dr. Mallikarjuna, Dr. Thomas, Dr. Faruddin, and Asst. Prof. Vishnu Karva, played integral roles in the program. Alongside instructors Manjunath Ranganath and Veerendra, as well as Ashok N.S.S.P.O., the staff and students engaged in activities designed to promote skill development, digital literacy, and the enhancement of skills among the rural population. The initiative showcased BITM's commitment to fostering a holistic approach to education, emphasizing the importance of skill-building and digital proficiency in both urban and rural settings. STAFF AND STUDENTS 192+12=204 MEMBERS Present.

Description

On the 20th of April 2023, the Department of Electrical and Electronics Engineering (EEE) at BITM Ballari, in collaboration with AICTE Activity Points Program, NSS, UBA, and Sansad Adarsh Gram Yojana, organized a transformative event at Haraginadoni Village in Sindigri. The initiative, focusing on three vital themes - Skill India, Digital India, and skill development for the rural population, actively engaged staff and students from the EEE department. With 70 members present, the program aimed to contribute to the holistic development of the rural community. Key contributors from the EEE department, including Asst. Prof. Shashidhar and Asst. Prof. Santosh, played essential roles in guiding the activities. Instructors Vishwanath, Chetan Kumar, Mehoob, Srikanth, Zakir, and Ashok, the NSS Program Officer, were instrumental in facilitating the program. The activities centered around enhancing skills, promoting digital literacy, and empowering the rural population with valuable capabilities. This event underscored BITM's commitment to social responsibility, emphasizing the role of education in equipping individuals with the skills needed for personal and community development.

Description

On the 19th of April 2023, the Department of Electrical and Electronics Engineering (EEE) at BITM Ballari orchestrated a significant event in Sindigri Village as part of the AICTE Activity Points Program, NSS, UBA, and Sansad Adarsh Gram Yojana. This collaborative initiative, focusing on Skill India, Digital India, and the skill development of the rural population, brought together staff and students from the EEE department. With a total of 61 members actively participating, the event aimed to contribute to the holistic development of the rural community. Distinguished contributors from the EEE department, including Asst. Prof. Shashidhar, Asst. Prof. Pushpa Latha, Asst. Prof. Parvathi, and instructors Mr. Vishw, Srikanth, Chetan Kumar, Shivananda, and Hemanthraj, played integral roles in guiding the activities. Additionally, Dr. Chidananda from the Department of Computer Science and Engineering (CSE) was actively involved. Ashok, the NSS Program Officer, ensured the smooth facilitation of the program. The activities were designed to enhance skills, promote digital literacy, and empower the rural population with valuable capabilities. This event exemplified BITM's commitment to societal development and emphasized the transformative power of education in fostering skills essential for personal and community advancement. DESCRIPTION

To skill rural people students visited Belagal Village. Students interacted with Pattan Panchayat officers who helped them with data available w.r.t population and literacy rate of the village in different areas. The students explored the importance of controlling the population to the villagers. The students eagerly participated in this event and guided the villagers regarding the rural population control

NO OF STUDENTS PARTICIPATION	40 students and staff
ORGANISIZING /COLLABORATAING AGENCY	BITM NSS UNIT

DESCRIPITON

An awareness program commemorating "World No Tobacco Day" was successfully conducted at the Allipura/Dardamill area, orchestrated by the NSS - BITM team. Dr. Chidananda from the Department of Computer Science and Engineering delivered a presentation during the event, where a total of 40 individuals were in attendance. The focus of the initiative was to enlighten the community about the detrimental effects of tobacco consumption, including both active and passive smoking, while also encouraging individuals to quit this harmful habit. The program, held on May 31, 2022, in Allipura/Dardamill village, aimed to educate villagers on the severe and fatal consequences of tobacco use. Attendees were made aware of the negative impact on lung health, ranging from the development of cancer to chronic respiratory diseases. The event served as a platform to disseminate crucial information and promote a tobacco-free lifestyle within the community.

DESCRIPITON

A collaborative effort between BITM's NSS (National Service Scheme), UBA (Ummat Bharat Abhiyan), and Sansad Adarsh Gram Yojana was undertaken at Hargina Doni Village. The focus of the program centered on Swachch Bharat, specifically on developing and managing an efficient garbage disposal system. Dr. Banakar Nagaraj, A.P.S.Y. Shiva Kumar, A.P. Kalyan Babu, A.P. Raghavendra K, Mr. Madhusudhan Goud, and Mr. Irayy Shikkerimath, along with 41 students and 9 staff members, actively participated in this initiative. The BITM NSS unit, comprising students and staff, conducted a Swatch Pakhawada program by cleaning the surroundings of the village. Moreover, they engaged in sensitizing the villagers about the importance of hygiene and cleanliness. Students took the opportunity to address the villagers, shedding light on various government schemes available for building toilets and promoting the use of sanitary materials. The collective efforts of the 50 participants contributed to the success of this impactful program aimed at fostering cleanliness and hygiene awareness in Hargina Doni Village.

DESCRIPITON

BITM's NSS Unit organized a Voluntary Blood Donation Camp on Monday, February 20, 2022, in commemoration of the death anniversary of our Founder, Smt. Basavarajeswari. The event, conducted in collaboration with VIMS Ballari, Indian Red Cross Society - Ballari Red Ribbon Club, and District Aids Prevention Control Unit (DAPCU), garnered support from various entities. The camp was inaugurated by Dr. S.J.V. Mahipal, Chairman of T.E.RED Trust in Ballari. Other dignitaries present included Dr. Bharath, Prof. Pruthvi Raj, Deputy Director of BITM, Dr. Eranna, the Principal, Dr. Nadagouda, Medical Officer, Dr. Narasimha Murty, Medical Officer, and Mr. Shakeeb from IRCS Ballari. The enthusiastic participation of students resulted in the collection of 143 units of blood, which were subsequently sent to VIMS Ballari. This initiative exemplified the commitment of BITM and its students to contributing to the noble cause of voluntary blood donation.

On January 12, 2023, the BITM auditorium hosted the celebration of National Youth Day, commemorating the 161st birth anniversary of Swami Vivekananda. The event commenced at 12 noon and was honored by the presence of distinguished guests, including Lt Col Puneet Lehl, Subedar Deep Chand, Dr. Yadavalli Basavaraj (Director, BITM), Dr. Shaik Meera (NSS Coordinator), and Mr. Bhavani Prasad (Associate NCC Officer). With the theme "VIKSIT YUVA VIKSIT BHARATH," the event aimed at fostering the development of youth for a progressive India. Lt Col Puneet Lehl, as the Chief Guest, delivered an insightful address, followed by Dr. Yadavalli Basavaraj, who extended his wishes and encouraged the youth with motivating words. Dr. Yashwanth Bhupal, serving as the president of the event, delivered a presidential speech. The proceedings were efficiently conducted by Miss Shreya K.H., Assistant Physical Education Director, while Dr. Veena from the Chemistry Department expressed gratitude in her vote of thanks. The event successfully brought together various perspectives and voices to celebrate the essence of National Youth Day.

DESCRIPITON

BITM's NSS unit orchestrated a highly impactful Mega Vaccination Drive, successfully inoculating a total number of staff, students, and members of the public. In collaboration with the District Administration, the drive extended its services to faculty and staff within the college campus. The initiative included a Free Vaccination Camp, organized in conjunction with the Kuditini Primary Health Care Center. The dedicated volunteers from BITM's NSS unit actively engaged with the community, spreading awareness and conducting the vaccination drive in various locations such as BITM, Allipur, Vinayaka Nagar, and Darada Mill campus. The outreach was extensive, with a significant number of villagers participating in the event, receiving vaccinations with the assistance of our college NSS volunteers. This mega vaccination drive exemplified the commitment of BITM and its NSS unit to public health and community welfare.

DESCRIPITON

An AIDS awareness program was conducted at the BITM campus on December 1, 2022. The students were educated about the disease, characterized by a severe loss of body immunity that generally reduces resistance to infection and malignancy, thereby impacting overall health. The session covered essential information on AIDS prevention, treatment, and care. The participants found the program highly valuable and expressed appreciation for its informative content. They pledged to disseminate the preventive measures and knowledge about AIDS to safeguard society from this life-threatening disease. Dr. Suresh, HOD of Chemistry, Dr. Shaik Meera from the Department of Mathematics and NSS Incharge, Prof. Lakshmi Kanatah, HOD of the English Department, along with Mr. Jayaram from VIMS Ballari, joined staff and students in commemorating this occasion and enhancing awareness about AIDS.

DESCRIPITON

Constitution Day, also known as "National Law Day," is observed in India on 26th November each year to commemorate the adoption of the Constitution of India. The historic event occurred on 26th November 1949 when the Constituent Assembly officially adopted the Constitution, which later came into effect on 26th January 1950. The Government of India officially declared 26th November as Constitution Day on 19th November 2015 through a gazette notification. Prime Minister Narendra Modi announced this decision on 11th October 2015 while inaugurating the foundation stone for B.R. Ambedkar's Statue of Equality memorial in Mumbai. In 2021, the nation celebrated the 131st birth anniversary of Ambedkar, who chaired the drafting committee of the Constituent Assembly and played a pivotal role in shaping the constitution. Previously observed as Law Day, 26th November was chosen to emphasize the significance of the constitution and promote the thoughts and ideas of Ambedkar. On this occasion, Dr. Venkat Raman, HOD of Mechanical Engineering, Dr. Shaik Meera, NSS Incharge for Maths, and Dr. Sharan Reddy, HOD of Electrical and Electronics Engineering, along with staff and students, were present at BITM to commemorate Constitution Day.

DESCRIPITON

In honor of the 153rd Mahatma Gandhi Jayanti in 2022, BITM and its NSS unit have consistently dedicated their efforts to contribute to social causes, particularly focusing on the welfare of orphanages. The initiative aims to improve the lives of orphans by addressing their basic needs. As a first step, the NSS unit has identified specific orphanages, and plans are underway to provide essential items such as clothing and other commodities necessary for their daily requirements. This commitment reflects the ongoing dedication of BITM and the NSS unit towards making a positive impact on the well-being of orphans, aligning with the principles and values exemplified by Mahatma Gandhi.

DESCRIPITON

The BITM NSS Unit, comprised of both staff and students, actively participated in the commemoration of the Hyderabad-Karnataka Liberation Day, also known as "Kalyana-Karnataka Liberation Day" or "Vimochana Divas." The event saw the presence of 56 students from the institution. Dr. Yadavalli Basavaraj, the esteemed Principal of BITM, and Dr. Shaik Meera, the Mathematics Department head and NSS In-charge, played pivotal roles in the celebration. On this auspicious occasion, the national flag was hoisted to mark the Hyderabad-Karnataka Liberation Day, an annual festival observed in seven districts of Karnataka, including Bidar, Kalburgi, Yadgir, Raichur, Ballari, Koppal, and Vijayanagar. This festival, occurring on September 17 each year, commemorates the annexation of Hyderabad by India in 1948, following the Partition of India and the rebellions in Hyderabad State. The active involvement of BITM's NSS Unit underscores their commitment to historical and cultural observances, fostering a sense of community and national pride.

DESCRIPTION

BITM actively participated in the nationwide initiative "Har Ghar Tiranga" as part of the 75th Independence Day celebrations, known as "Azadi Ka Amrit Mahotsav," organized by Nehru Yuva Kendra Sangathan. On August 13th and 14th, 2022, the institute conducted a Flag Hoisting event at the "Judge Bungalow" in Mincheri Hills, with a rally commencing from Mothi Circle to Mincheri Hills, passing through the BITM Campus. An impressive turnout of nearly 500 students and staff members joined the occasion. The primary objective of this initiative was to inspire individuals to actively participate in the nationwide flag hoisting movement, symbolizing the spirit of the 75th Independence Day, "Azadi Ka Amrit Mahotsav" under the theme "Har Ghar Tiranga." On August 13, 2022, BITM celebrated the occasion with great fervor. Prof. Pruthviraj Bhupal, the Honorable Deputy Director of the institute, ceremoniously flagged off the rally. The event witnessed the active involvement of diverse participants, including freedom fighters, doctors, engineers, college and school students, as well as faculty and staff members, all coming together with a shared spirit of Azadi Ka Amrit Mahotsav and the campaign "Har Ghar Tiranga."

NO OF STUDENTS PARTICIPATION	15
ORGANIZING /COLLABORATING AGENCY	BITM NSS UNIT/STAFF AND STUDENTS

DESCRIPTION

Kargil Vijay Diwas is an annual celebration observed every year on July 26th to commemorate and revive the pride and valor of the soldiers who actively participated in Operation Vijay. This significant day signifies the triumph of Indian soldiers in reclaiming the mountain heights that had been occupied by the Pakistani army during the Kargil War on July 26, 1999. The commemoration serves as a poignant reminder of the sacrifices and bravery displayed by the Indian Armed Forces during this historic military operation, acknowledging their resolute efforts in ensuring the territorial integrity of the nation.

DESCRIPITON

On this particular day, a First Aid Training Program took place at the BITM Auditorium, drawing the participation of approximately 150 individuals, comprising both staff and students. Mr. Shakeeb, a member of the Indian Red Cross Society, played a pivotal role in conducting the training session, where he imparted valuable knowledge and information to all the attendees. The training focused on educating students on the practical application of First Aid techniques to effectively respond to injuries, whether encountered at the workplace, home, or in outdoor settings. The program aimed to equip students with the necessary skills to address emergencies of varying magnitudes, ranging from everyday scenarios to larger disaster situations. The initiative sought to empower individuals to play an active role in providing immediate assistance and support to those in need.

DESCRIPITON

National Doctor's Day was joyously celebrated on July 1, 2022, at the MBA Seminar Hall in BITM, honoring the dedicated healthcare professionals who selflessly serve the community. The event featured esteemed dignitaries, including Dr. Kiran Chand N from Anesthesia Critical Centre, VIMS, Ballari, Dr. Nitish Katharina, Chief Anesthesia at PHC, Moka, Ballari, and Dr. Christopher, Head of the MBA Department. Additionally, Dr. Janet Jyothi Dsouza and approximately 100 students actively participated in the program. Aligned with the commemoration by the Indian Medical Association (IMA), National Doctor's Day pays tribute to medical practitioners and healthcare workers for their unwavering commitment, often at the risk of their own lives. The administrator extended a warm welcome to the gathering, expressing gratitude to the doctors for their invaluable service. Dr. Kiran Chand N and Dr. Nitish Katharina were honored for their dedicated contributions to the institution and society. Dr. Christopher shared insights into his experiences as a faculty member, emphasizing the noble nature of the medical profession, where doctors courageously risk their lives to care for patients. The program concluded with a vote of thanks extended by Dr. Janet Jyothi Dsouza.

ORGANISIZING /COLLABORATAING AGENCY	BITM NSS UNIT/STAFF AND STUDENTS

DESCRIPTION

In observance of World Environment Day, the NSS Unit at BITM Ballari orchestrated a meaningful plantation drive. Approximately 60 saplings were meticulously planted during the event, with active participation from around 75 students and staff members. Following the plantation drive, an awareness program ensued, aligning with the theme "Beat the Plastic Pollution." This initiative aimed not only to contribute to environmental conservation through tree planting but also to educate and encourage sustainable practices, specifically addressing the pressing issue of plastic pollution. The combined efforts of the plantation drive and the awareness program reflected the institution's commitment to fostering a greener and more environmentally conscious community.
